The Prophetic Voice for the Month of May 2018

It Shall be the month of the Kingdom Life

**I Am the Truth and the Life. All things consist in Me.
I Am the Life of all existence. Apart from Me is death.
I entered death to defeat it. The power of death is broken forever.
The most power and ultimate essence of all existence is My Life.
My Life is the focus of the the gospel of My Son Jesus.
Without My Life, all is lost. I gave My Life to all men to live in Christ.
Because I live, you live also. There is no end to your existence.
I will reveal the secret of My Life to you this month.
Amen**
