JUNE, 2019

THE PROPHETIC VOICE FOR THE MONTH OF JUNE 2019

IT SHALL BE THE MONTH OF INTIMACY IN AND WITH THE FATHER

Man was born in God for true intermingling to the extent of a sharing where the Divine supplies His all to man. This is the mystery of Christ in us.

True richness is God as man. The process of deification only takes place in the practice of prayer whereby one truly incarnates into the very projection of the son of God. In intimacy or union with God, which is the fruit of the 'in Christ' revelation, man brings in nothing and absorbs all of God in the sharing.

“In this great month of Thanksgiving, a cheerful heart will find true intimacy in Me. I Am all there is to you. In Me you have no need. Thank Me, for this is My will for you in Christ.”

Amen
