

UNITED STATES DISTRICT COURT

SOUTHERN DISTRICT OF FLORIDA

WEST PALM BEACH DIVISION

Case No.: 25cv 8219 WM

**PATRICIA TESTA, EUGENE TESTA, ALISON RAMPERSAD,
SHARI PERRYMAN, JOYCE RUSSELL, People of Palm Beach County**

Florida protected by our Constitutions,

Petitioners,

v.

**HAYDEN O'BYRNE, in his official capacity as United States Attorney for the
Southern District of Florida,**

Respondent.

**OPEN PETITION FOR WRIT OF MANDAMUS TO INFORM
GRAND JURY**

Introduction

This PETITION will be posted online at **RestoreGrandJuryRights.org** and **GrandJuryOversight-PalmBeachCountyFL.org** and other community sites.

Petitioners respectfully seek a writ of mandamus compelling Respondent, the United States Attorney for the Southern District of Florida, to perform his **nondiscretionary ministerial duties** under **18 U.S.C. § 3332** by presenting evidence of alleged crimes to a duly impaneled Grand Jury.

Background

Before the **1946 Federal Rules of Criminal Procedure**, citizens could bring evidence directly to the Grand Jury without government gatekeeping. This safeguard was central to the Fifth Amendment's guarantee that "No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury."

The **Fourteenth Amendment** further secures the People's right to **due process of law**, ensuring that no State or its officers may deprive any person of life, liberty, or property without lawful procedure and accountability. Denying citizens access to the Grand Jury violates both the Fifth and Fourteenth Amendments.

Congress reaffirmed this principle in **18 U.S.C. § 3332**, which mandates that a U.S. Attorney “shall, if requested by such other person, inform the grand jury of such alleged offense...” Petitioners have repeatedly requested this, but Respondent has failed to act.

In **United States v. Williams, 504 U.S. 36 (1992)**, Justice Scalia reaffirmed that the Grand Jury is not an arm of the prosecution or judiciary, but an independent body serving as a **protector and shield of the People against tyranny**. Blocking the People’s evidence from reaching the Grand Jury strips away this safeguard, leaving citizens defenseless against government abuse.

Claims

1. Petitioners have gathered and delivered, to all relevant local, state, and federal officials, credible evidence of election violations and related offenses in Palm Beach County since 2022.
2. Despite statutory obligation, Respondent has refused to present this evidence to the Grand Jury, denying Petitioners their constitutional recourse.

3. This refusal constitutes deprivation of rights under **18 U.S.C. §§ 241–242** and undermines the Fifth and Fourteenth Amendments.

Relief Requested

Petitioners seek an order compelling Respondent to:

- Immediately inform a duly impaneled Grand Jury of the evidence presented by Petitioners and their identity;
- Fulfill his **nondiscretionary ministerial duty** under § 3332 by identifying Petitioners and the offenses alleged;
- Ensure the Grand Jury is free to communicate with Petitioners and the People, examine, investigate, and determine whether indictments or presentments are warranted.

WHEREFORE

Petitioners PATRICIA TESTA, EUGENE TESTA, ALISON RAMPERSAD, SHARI PERRYMAN, JOYCE RUSSELL, People of Palm Beach County Florida protected by our Constitutions, respectfully request that this Court

issue a Writ of Mandamus compelling Respondent, Hayden O'Byrne, to fulfill his nondiscretionary ministerial duties under 18 U.S.C. § 3332, the Fifth Amendment, the Fourteenth Amendment, and the 1992 *Williams* decision; and grant such further relief as the Court deems just and proper.

Respectfully submitted,
