

UNITED STATES DISTRICT COURT

SOUTHERN DISTRICT OF FLORIDA

WEST PALM BEACH DIVISION

Case No.: 9:25-cv-81554RMM

PATRICIA TESTA, EUGENE TESTA, ALISON RAMPERSAD, JOYCE

RUSSELL, People of Palm Beach County Florida protected by our

Constitutions,

Petitioners,

v.

JASON A. REDING QUINONES in his official capacity as United States

Attorney for the Southern District of Florida,

Respondents.

REQUEST FOR CASE REASSIGNMENT, AND EXPEDITED HEARING

This Motion is publicly posted at **RestoreGrandJuryRights.org**, **GrandJuryOversight-PalmBeachCountyFL.org**, and related community sites to ensure transparency and public awareness.

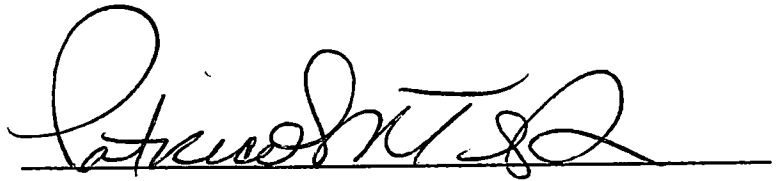

As initially requested in the Petition filed December 11, 2025, Petitioners respectfully renew their request that this matter be reassigned to a United States District Judge. This case presents issues of significant constitutional importance affecting the People of Palm Beach County, the State of Florida, and federal districts nationwide. The matter is directly related to other filings within the People's Grand Jury Movement, which seeks to restore lawful, non-discretionary grand jury oversight and accountability consistent with **18 U.S.C. §§ 241–242 and 3332**.

Petitioners further request an expedited hearing to present evidence and legal argument demonstrating that the United States Attorney is required to promptly and lawfully perform his non-discretionary, ministerial duties in service to the People protected by our Constitutions. Petitioners seek to witness and ensure the lawful informing of the Grand Jury in order to promote transparency and accountability, particularly in light of longstanding public and judicially recognized concerns regarding prosecutorial dominance of the grand jury process—often reflected in the historical aphorism that a prosecutor can “indict a

ham sandwich”—and the constitutional framework governing grand jury independence recognized in *United States v. Williams*, 504 U.S. 36 (1992).

Respectfully submitted,
