

About us.

Knock, knock.
Can — come
out and play?

We're the Fifty-Five Fifty Social Committee.

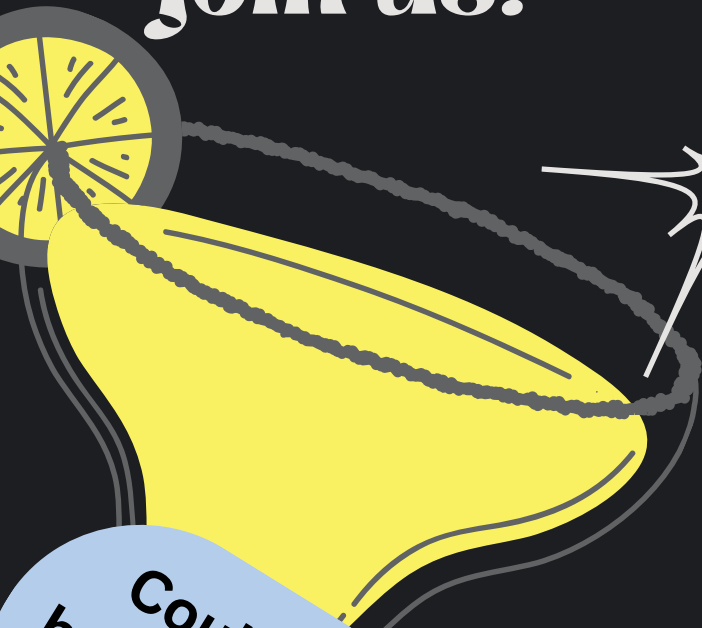

We love living in Hollywood.

We want a sense of community.

We want to know our neighbors.

*We want to experience everything our
neighborhood has to offer,
with friends who share our spirit of adventure.*

Sound good?
Join us.

Could we
borrow a cup
of flour gin?

The Fifty-Five Fifty Social Committee is **independent** and grassroots. We are not affiliated with building management or ownership.

The Social Committee is informal, and free to join. No membership cards here. We're just neighbors who do neighborly things. Think Mr. Rogers -- with more drinks.
