CAMPING TRIP
October 11-13, Mogollon Rim

Welcome! We're so excited to go camping together! Being out in God's beautiful creation refreshes the soul. Being with friends reinvigorates life. Thank you for spending part of your fall break together! It's going to be awesome. Camp fires, s'mores, great food, fresh air, cooler temps (contented sigh...). On Saturday, we'll have options for hiking, going to a nearby lake, playing games, or just lay in a hammock and take a nap. Ahhhh, I can't wait!
