33 YEARS OF FUN AND FELLOWSHIP

The *Pride of Texas Street Rods* club will hold its 33rd annual "Key to the Hills" rod run on October 11,12,13, 2019. The Friday night get-together will be a free catfish dinner with trimmings, including tea. The Pride of Texas will host this event. Serving will be from 6:00 to 7:30 pm at the Boerne Plaza. If you would like to join us please complete the enclosed card to reserve your meals. Pick up your meal ticket at the Gazebo Friday evening. This is limited to the first 300 people that respond.

The rod run will start on Saturday morning at 8:00 am. The day's events will include, vendors, a Silent Auction, a Door Prize drawing, 50/50 Jar, food booths and shopping. Boerne will be having Market Days on Saturday and Sunday. Activities will shut down at 4:00 pm Saturday. We hope you will patronize the plaza food booths. They are non-profit Organizations and greatly appreciate your support.

Reminder: State rules allow us to close Main Street for only 10 hours. If you park your car on Main Street, you must move it by 5:00 pm.

On Saturday evening, we will leave from the Bealls' parking lot on south Main Street for a short cruise through the beautiful Hill Country. We will return to the plaza.

Jim Rowlett, Bob and Barbara Clawson will lead us in a worship service on Sunday morning at 9:30 am around the gazebo. The awards ceremony will start promptly at 11:00 am. All ballots (Top Ten and Ladies Choice) must be turned in at the gazebo by 4:00 pm on Saturday, October 12th.

To pre-register return the application, include \$25.00 registration fee by Sept. 25th (**Do not mail after Sept. 25th**). All registrations received before the 25th will be eligible for the pre-register drawing for \$\$\$\$. The number of cars that are pre-registered will determine the amount of the drawing. \$1.00 from each pre-registration will be added to the pot. If we have 200 pre-registered cars, we will give the lucky winner \$200 during the awards ceremony. You may download a registration form on-line @ www.keytothehillsrodrun.org.

Pre-registered cars will receive their window sticker by mail and will proceed quickly through the entrances when it is attached to the windshield. All cars must stop for verification. Non-registered cars will pay their \$25 entry fee at the entrance. You will receive a receipt that you take to the gazebo to receive your packet. Classics can be parked outside the designated rod run area. Please display your window sticker promptly. We do not have extra window stickers so please keep it handy.

We will not have a Door Prize for each participant. Instead, beginning at 9:00 am on Saturday, car numbers will be drawn and posted on a board at the Gazebo. It will be necessary for each entrant to periodically check the posted numbers and bring the Door Prize card with the car number on it to the Gazebo when selecting an item from the Door Prize table.

Important Info: The plaza entrance is on the northwest corner. Cars should not be parked in a fashion that blocks the entrance. Main Street center lane must remain open at all times. This will allow for emergency vehicles to enter if there is an emergency (see map on back of this page). Federal law prohibits the blocking of wheelchair ramps around the plaza. Cars will be ticketed and towed if this occurs.

Make plans to join us for a weekend of fun, fellowship and relaxation at our 33rd!
