

MEMBERSHIP APPLICATION

By filling out this application you the applicant consent to follow all bylaws of the Algoma Fish and Game Club (AFGC). Accepted applicants to the Algoma Fish and Game Club will receive a club membership card; which is also your receipt. AFGC memberships correspond with entitlements of an Ontario Federation of Anglers and Hunters (OFAH) membership, such as, club liability insurance coverage, discounts and magazine, etc. *This is not an option unless you are purchasing a AFGC Conservation Supporter Membership where it is not applicable.*

Select Choice: MEMBERSHIP FEES:

ALGOMA FISH AND GAME CLUB

*A voice for Anglers and Hunters of the Algoma District
to promote, protect and enhance our great resources and engage within our communities.*

The **Algoma Fish and Game Club (AFGC)** established in 2016. Maintaining steady annual growth has brought the club to approximately 80 members. With the efforts of the collective group we've initiated and completed many projects and tasks to further our mission.

The MNRF accepted our club to sit on **FMZ councils 9, 10, 13/14**, and together we are working on the following initiatives for our area;

- Changing Musky size regulations
- Prioritizing Lake Trout stocking of the western north shore of Lake Huron
- Input on the current Lake Trout, Northern Pike and Walleye regulations in FMZ 10; and input on new Walleye management plan in FMZ 13/14
- Changing Atlantic Salmon limit in FMZ 14

Successful local meetings with MNRF assessment biologists with modifications made to **local fish stocking**.

AFGC Steelhead Committee participated in population studies in spring of 2017 and will continue in 2018, and pass on data to the MNRF.

The Kinsmen **children's fishing pond** initiative has secured a number of Splake through the MNRF to stock annually/biannually to promote children and family fishing.

The 2nd annual **AFGC Walleye Tournament** saw a decline in participant boats. For this reason, the format will be changed to a one day, three person per boat derby for 2018. This event is to be held July 7, 2018 with more details to follow.

AFGC Hunting Committee is working with the local MNRF biologists and Sault College. The goal is to work on Moose tags and Doe tag numbers.

The 2nd annual **AFGC Camo & Games Night** pub night fundraiser was a huge success. With over 220 tickets sold we were able to raise enough funds to help sustain our activities.

AFGC Veterans' Fishing Day - This is a new event where we expect to have 10-15 boats take out area veterans for a great day of fishing as our way of saying Thank You. Details will be released closer to the event date.

AFGC Children's Perch Derby - This is our club's largest event of the year, involving over 30 volunteers and more than 40 area businesses/organizations who sponsor with financial donations and services. This ages 14 and under derby allows hundreds of area children and their families to enjoy a fun-filled day of fishing and prizes.
