

Ready to Streamline Evaluations?

FREE VIRTUAL INFORMATION SESSION

During this session,
you'll learn how PES helps:

- Replace paper rubrics with a clean digital workflow
- Provide teachers with real-time, actionable student data
- Generate AI-powered feedback summaries instantly
- Support Work-Based Learning, IEPs, and transition documentation

Join us for a free virtual info session to explore how Performance Evaluation Solutions (PES) can transform the way your school evaluates student employability skills. This short, high-impact session will walk you through the challenges educators face with traditional soft skill rubrics and show you how PES streamlines the entire process — from evaluation to reporting.
