

Looking for a great opportunity to give your business exposure to a large and varied audience in a very easy way?

The Ferndale Swimming Boosters invites you to join a growing swim community and help our Ferndale Eagles athletes achieve their potential and enjoy a rewarding experience. Ferndale Public Schools' three swim teams: Coed Middle School, Girls' Varsity High School, and Boys' Varsity High School teams provide a positive environment where student athletes learn the values of personal development and teamwork. ***This also can provide your business access to three separate audiences throughout the school year!***

Support from our sponsors assists the Boosters in providing the necessary resources for a successful and robust swimming program at Ferndale Public Schools. Funds received go toward purchase of team suits, caps, and other equipment and help offset costs associated with running swim events. Sponsorships significantly impact the quality of the Ferndale Swimming program and your commitment is greatly appreciated by our swimmers, parents, and many volunteers! Through our community partners, our swim community has grown in leaps and bounds over the past three years and we continue to appreciate and require support to sustain our program.

You will find our sponsorship levels outlined on the information sheet enclosed. Please contact me with any questions or to make a donation:
