4/4 1...2...1234

Oo wah, oo wah, oo wah, oo wah, oo wah, oo wah,

STOP

Why do fools fall in love?

Why do birds sing so gay, and lovers a-wait the break of day,

Why do they fall in love?

Why does the rain fall from up a-bove, why do fools fall in love,

Why do they fall in love?

Love is a losing game, love can be a shame; I know of a fool you see, for that fool is me.

Tell me why-----y tell me

Why do birds sing so gay, and lovers a-wait the break of day,

why do they fall in love?

CAN'T HELP FALLING IN LOVE

4/4 1...2...1234

Intro:

(2 beats each)

Wise men say only fools rush in

But I can't help falling in love with you

Shall I stay? Would it be a sin

If I can't help falling in love with you

Like a river flows, surely to the sea

Darling, so it goes, some things are meant to be

Take my hand, take my whole life, too

For I can't help falling in love with you

For I can't help falling in love with you

I used to play around with hearts that hastened at my call,
But when I met that little girl I knew that I would fall.

Poor little fool, oh yeah, I was a fool, uh huh..

She played around and teased me with her carefree devil eyes,
She'd hold me close and kiss me but her heart was full of lies.

Poor little fool, oh yeah, I was a fool, uh huh..

She told me how she cared for me and that we'd never part,
And so for the very first time I gave away my heart.

Poor little fool, oh yeah, I was a fool, uh huh..

The next day she was gone and I knew she'd lied to me,
She left me with a broken heart and won her victory.

Poor little fool, oh yeah, I was a fool, uh huh..

I'd played this game with other hearts but I never thought I'd see,
The day that someone else would play love's foolish game with me.

Poor little fool, oh yeah, I was a fool, uh huh..
