[C] This is where the journey [G] ends
[F] Here where the river [G] bends
[C] Rough water down the [G] line
[F] This old boat is past her [G] prime
but we can [F] still make her come-a-[G] bout
[Am] Here in this [G] wind
[F] This is when the [G] north meets [C] south (2,3,4)

[C] This is where the east meets [G] west
[F] This is where we are our [G] best
[C] Goodbye to the good old [G] days
[F] Put all that stuff [G] away
[F] Our belief is bigger than our [G] doubt,
[Am] time to [G] begin,
[F] This is where the [G] north meets [C] south (2,3,4)
[G] (1,2,3) Calling [F] all of wisdom and [G] clout
[Am] Time to dig [G] in
[F] This is where the [G] north meets [C] south (///)

[C] This is where we start to [G] heal

[F] This is a brand new [G] deal
[C] Listen to the old bell [G] ring
[F] This is where they did those [G] things
All that [F] fighting and flailin' [G] about,
[Am] this is where it [G] ends,
[F] this is where the [G] north meets [C] south (2,3,4)
[G] (1,2,3) We all [F] got us here we gotta' get us [G] out
[Am] Time to dig [G] in
[F] This is where the [G] north meets [C] south. (2,3,4)
