OCTOPUS'S GARDEN

INTRO: C //// Am //// F //// *G7 ////

```
C                   Am
   I'd like to be,      under the sea,
     F                    *G7
In an octopuses garden in the shade.
C                   Am
  He'd let us in,   knows where we've been,
     F                           G7
In his octopus's garden in the shade.
Am            123
  I'd ask my friends to come and see,
F   1   2   3   G7      4
  An octopus's garden with me.
C                   Am
   I'd like to be,      under the sea,
     F         G7          C
In an octopus's garden in the shade.

C                      Am
  We would be warm,      below the storm,
     F                           G7
In our little hideaway beneath the waves.
C                   Am
   Resting our head,      on the sea bed,
     F                   G7
In an octopus's garden near a cave.
Am            123
  We would sing and dance around,
F               4   G7
  Because we know we can't be found.
C                   Am
   I'd like to be,      under the sea,
     F         G7          C
In an octopus's garden in the shade.

C                   Am
   We would shout,      and swim about,
     F                           G7
The coral that lies beneath the waves
C                   Am            (lies beneath the ocean waves)
   Oh, what joy, for every girl and boy,
F                               G7
Knowing they're happy and they're safe.
Am            123                       (happy and they're safe)
   We would be so happy, you and me,
F               4           G7
No-one there to tell us what to do.

C                   Am                    F              G7              Am
   I'd like to be,      under the sea, In an octopus's garden with you,
     F         G7          Am          F         G7          C
In an octopus's garden with you, In an octopus's garden with you!
```
by Richard Starkey

C   Am   F   G7

*= I changed all G chords to G7! Easier!
