LESSONS THIS YEAR

Tutors should have all now got in touch to book you in for the academic year! Please notify me at the earliest convenience if your tutor has not made contact.

Could I please remind students:

- For cancellations, we require a 24 hour notice or you will be charged for the lesson.
- For long breaks in tuition/termination of lessons, we require a 5 lesson notice period.
- Students should be practising at least 20 minutes a week at beginner level. Please consult your tutors for practise advise and how long you or your child should be practising for.

STUDENT SECTION on our website

From this month, we will be featuring 'Student of the month' on our website. Perhaps you or your child has achieved a grade or performed in a concert? Maybe you have made excellent progress in your lesson recently and your tutor has requested for you to be featured. Please feel free to send in videos/pictures to be featured on our social media/website so that we can give you a well deserved shout out!

Last of all, thank you for choosing to learn with Gold Music. Our tutors are all highly experienced and specialists in what they do and it is fantastic to inspire others in their musical journeys. We are 2 years into Gold Music and are thriving and going from strength to strength. I appreciate your support and business and hope this proves to be another very successful year for us all musically!

Good luck for the academic year ahead of us!
