

New Mobile Navigation

The portal has been updated with new navigation for a more consistent user experience when using either Desktop or Mobile devices. The common features now include left-side slide out menus, submenus and arrow buttons used to move forward/back or to expand/collapse details.

New Results Landing Page

Your New Results will display if available

Tap the Menu button to view more modules

New Left Slide Out Menu

Tap to expand more options such as "My Records" or to return to previous menu item

Expand
Tap arrow to show more details

Collapse
Tap arrow to close details

New Results
If you have New Results listed, tap on an item to see the details

My Records Menu

Tap to select a module from your records

Modules with forward arrows have submenus

Back Arrow
Tap to go back to your previous menu selection

Forward Arrow
Tap to go forward into the submenu options, as in the Lab example shown

Tap anywhere on the grey area to hide the left menu and return to the previous screen

Lab Results Module

Tap to select a result from the list to see more details

Slide Out Menu
Tap to go back your previous menu selection

Tap the submenu option to access Lab results

Additional Menu Options

Additional menu options can be accessed by tapping the back arrow from **My Records**. You can access any of the listed menu items by tapping on them.

The diagram illustrates the navigation menu and two sub-menu screens. The main menu is a vertical list of options: **View Account Profile** (with a link), **My Records**, **Links**, **Resources**, **ConnectMyHealth Tour**, **Notifications**, **Agreements**, **Notification Subscriptions**, **Preferences**, **Switch to Full Site**, **Logout**, and **Close Menu**. Red arrows point from text instructions to these menu items. To the right, two sub-menu screens are shown. The first is the **Resources** screen, which has a back arrow and three items: **ConnectMyHealth Helpful Info**, **System Notices**, and **Report Technical Issue**. The second is the **Set Up Your Notification Subscriptions for New Results** screen, which is divided into two steps. **Step 1: Tap Preferences** shows a **Patient Preferences** screen with fields for **Notification Email** (cran@hhsc.ca), **Frequency (minutes)** (1), and **Expire this subscription** (When I Unsubscribe). **Step 2: Tap Notification Subscriptions** shows a **Notification Subscription Settings** screen with a note about limited notifications, a list of **New Results Modules** (Blood Bank Products, Blood Tests, Cardiology, Microbiology, Pathology, Diagnostic Imaging, Clinical Reports), and a **New Results Lab** section with radio buttons for **None**, **All** (selected), and **Abnormal**.

Tap on the link to update your personal account information such as your email address or mobile phone number

Tap the **Forward arrows** to see more submenu options

Tap the **Back arrow** to go back to your previous menu selection

Tap **ConnectMyHealth Tour** to watch the overview video

Tap **Notifications** to see any system notification messages

Tap **Agreements** to see the user agreements.

On mobile devices, you have the option to toggle between desktop and mobile layout as needed by tapping **Switch to Full Site** and then **Switch to Mobile**

Tap **Close Menu** or tap anywhere on the grey area to return to the previous screen

Set Up Your Notification Subscriptions for New Results

Step 1: Tap Preferences to add your email and notification frequency, then verify your email.

Step 2: Tap Notification Subscriptions, select the modules that you want to subscribe to receive the email notification for. You'll be notified by email when you've got new results available in your record.
