

Parent Workshops For Your School

Hosted by:

**Friends of Bright
Minds Community
Prep, Inc.**

Our Group

- *“Educating Our Children at Home and Abroad”*

As a 501(c)3 educational organization founded in 2017 in Brooklyn, New York Friends of Bright Minds Community Prep, Inc. (FOBM) fuses passion and partnerships to fulfill its mission to “bridge children and families to high quality educational support services and advocacy to improve student achievement.”

Mission:

- Bridging children and families to high quality educational support services and advocacy to improve student achievement.

Vision:

- Reshaping educational partnerships into thriving family-friendly learning communities to ensure a better academic global society.

Workshop Topics

- **Problem Solving and Decision Making**
- **Financial Fitness**
- **Strategies and Setting Limits**
- **Developing Relationships with School Teachers and Administration**
- **Reward vs Punishment**
- **Effective Communication Between Child and Parents**
- **Discipline With Dignity**
- **Mental Health and Counseling**
- **Developmental expectancies and stress management**
 - And much, much more

Qualified Facilitators

- Our workshop facilitators are knowledgeable educators, who seek to utilize successful strategies. The aim is to ensure student achievement, through parent, school, and community models/methods.

Next Steps

- Please provide a good time to meet and possibly discuss, incorporating our workshops into your upcoming School Calendar Year 2023. Affordable pricing packages available.
