

About Ladders to Learning

Ladders to Learning is a youth-oriented and education-focused initiative presented and coordinated by the Coaldale & District Volunteer Firefighter Association.

With this program, we strive to recognize and meet the needs of the youth in the community we serve.

Our programs are available to students and families on a referral basis from our partners within local schools. Please contact your schools' Making Connections Worker or Family School Liaison Counsellor for more information.

2024-2025
Program Guide

Winter Warmth

We provide students with:

Winter Coats

Winter Boots

Mittens/Gloves

Toques

Fuel for School

We support students with meals on lunch days as well as in the school cafeteria's.

email info@ladderstolearning.ca for more information

Grad Gear

We will cover the cost of a graduation hoodie or other memorabilia that might otherwise be out of reach for some students.

Graphing Calculators

We provide graphing calculators to high schools which are available for student use.

email info@ladderstolearning.ca for more information

Back-to-School Event

Our annual August Back-to-School Backpack Event helps students access the supplies they need for the school year. In addition to supplies we will have shoes, haircuts, food, fire truck tours and opportunities to win prizes!

Registration opens May 2025.
