INT. RESTAURANT. DAY

Dhruv enters the restaurant to have his breakfast.
Notices Shruti at a far corner - she seems to be familiar.

But Dhruv is somehow in doubt - if she is her. He continues to serve himself his breakfast unsure.

Shruti notices Dhruv and finds him to be familiar. Eyes him more to be sure.

Each eye each other trying to place the other.

There is exchange of looks between them - across the dining room.

Both reach the tea/coffee station to serve themselves their beverage.

Dhruv takes the initiative to ask.

DHRUV

Yes.

(nods his head)

Once they recognize themselves. They turn into their childhood self. Both were close friends in school. Till they moved apart in life

SHRUTI

Where were you all these years ?

Why did you suddenly stop coming
to school?

What happened ?

Why did you not come to school
even once after you left?

(A barrage of questions land on Dhruv)

Dhruv just smiles at Shruti.

DHRUV

That's a very very long story.

You will be bored to death.

(Says with a smile)

SHRUTI

I am sure. I won't be.

(A slight bit of anger gets into
her face)
