

2. Interaction. Over a Coffee
Before Luv.
Conversation between Shruti & Dhruv
Location: Dining Area

Shruti and Dhruv sit for coffee across from each other.

Shruti takes a small sip of coffee from her mug.

Looks at Dhruv with slight anger.

SHRUTI

Now tell me, mister.

Where the hell were you

All these years?

(With anger in her voice)

DHRUV

(Dhruv could sense her anger towards him)

Where is Jatin?

SHRUTI

(With more anger)

When I ask you about you.

Why are you concerned about Jatin.

DHRUV

Just asking

He was our friend, right?

SHRUTI

He is in Delhi.

We will talk about him later.

Now tell me what you have done

All these years.

DHRUV

(Settles to tell her)

During the 10th class holidays.

My father got transferred to Delhi

On an urgent basis.

You were on vacation, and I did

Not have your contact number.

I was able to inform Jatin about, my family

Shifting to Delhi.

My family settled in Delhi from then on.

SHRUTI

Did you not miss us all these years?

Why did you not visit us even once?

(a mild mist of tears forms in her eyes)

DHRUV

(Stays quiet for some time)

I tried. Shruti.

SHRUTI

(fighting back her tears)

I actually wanted to give you a tight slap.

When I meet you.

But did not have the heart to do it.

Now I have got hold of you.

I will punish you one day for the turmoil

You put me through.

SHRUTI (CONT.D)

I understand, Jatin is your friend.

But I was also your friend Dhruv.

You could have at least tried to meet
me once.

I never expected you to treat me
- the way you did

I tried to get in connect with you. But no one
knew your whereabouts.

Dhruv continues to be silent.
