

Why put this Tower in the Historic Heart of Stone Ridge when a Sensible Solution Already Exists?

Does it make any sense to have firefighters run around with loaded hoses, walkie talkies, buzz saws and idling fire trucks when the fire is 16 miles away?

With almost \$4 MILLION DOLLARS in GRANTS to UPGRADE, and the ability to get to work faster, doesn't it make more sense to **GO TO ULSTER LANDING ROAD?**

ULSTER LANDING ROAD SITE:

- will **CONSOLIDATE** training activities & buildings
- is **ALREADY APPROVED** and **ready** for more construction
- is **BIGGER - 58 acres!** SUNY is only 1.5 acres
- has **MORE CONVENIENT ACCESS** from Routes 32 and 199, not smaller, congested roads like Rte. 209 & Cottekill Rd.

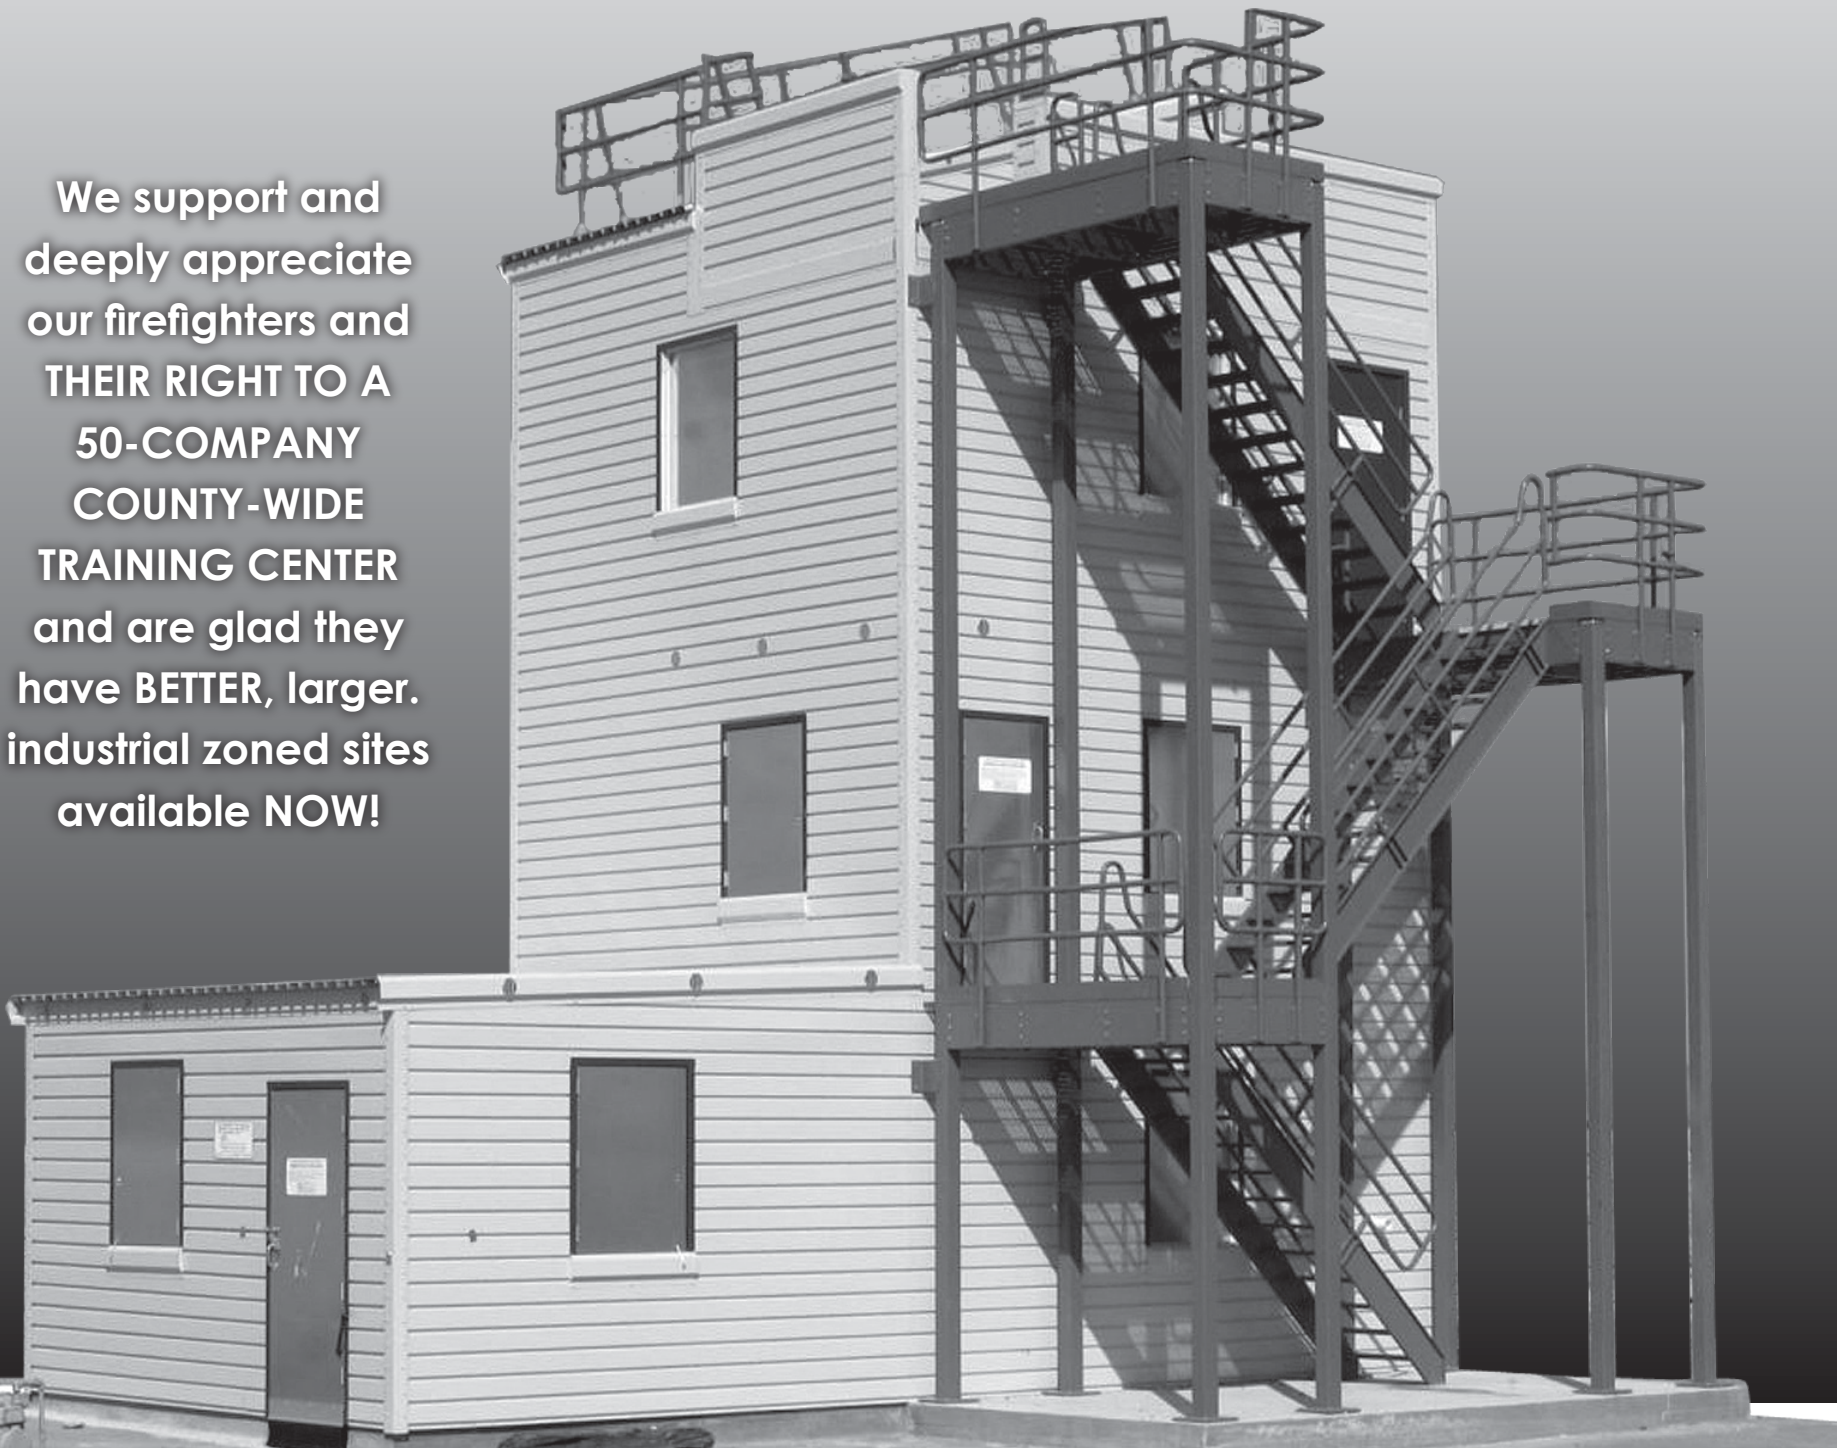

YES to existing classrooms at SUNY and all active training and building at approved and funded Ulster Landing Road and Walker Valley sites.

SUNY IN STONE RIDGE SITE:

- will have **LEGAL DELAYS** for years
- is **against MARBLETOWN ZONING** and **TOWN PLAN**
- is **600 feet** from **HOMES, CHILD CARE CENTER & TENNIS COURTS**
- is **800 feet** from **RELIGIOUS CENTER**
- is **2,500 feet** from **STONE RIDGE HISTORIC DISTRICT**
- is an **ARCHEOLOGICAL SENSITIVE OFFICIAL SITE**
- is on **ENVIRONMENTALLY SENSITIVE WETLANDS** and principal aquifer, mapped DEC stream, adjacent Ag-3, R-1, R-3
- will require **construction: 8-12 months, 7AM until 7PM** with asphalt pavers, concrete mixers, dump trucks
- will have **training weeknights until 10PM, & ALL DAY SATURDAY**
- will have **5 buildings & a 40 foot, 3 story tower** higher than legal zoning
- will have **3-5 idling fire trucks, 30 cars X 50 COMPANIES**
- will have **noise and lights, diesel fumes AND WALKIE TALKIES**

Why make life unbearable for families, pollute Marbletown, and prevent religious freedom?

We support and deeply appreciate our firefighters and **THEIR RIGHT TO A 50-COMPANY COUNTY-WIDE TRAINING CENTER** and are glad they have **BETTER, larger. industrial zoned sites available NOW!**

LET'S BE SENSIBLE and SAFE. Support Firefighters and Residents
