# Why RPM

**We are NOT a product  
We ARE a service**

## Focus on Customer Success

When you work with RPM,  
you give your clients  
a friendly, flexible & straightforward  
premium management alternative

## Gain a competitive advantage

We are **independent** and can work  
with nearly **any** insurance agent/broker

## Aim for simplified Audits

Add an additional layer of expertise to help  
your clients navigate their audit process  
*with minimal effort.*

## Win as a Team!

Your clients keep their agent, their carrier,  
and, most importantly, they keep **YOU** -  
*their trusted payroll provider!*
