Brad Nair
Owner
FES Impact, LLC

Brad proudly served in the U.S. Air Force as a Firefighter, where he served in Operation Enduring Freedom and Operation Iraqi Freedom. He earned his B.S. Degree in Fire Administration from Columbia Southern University.

Brad served 22 years as a volunteer firefighter. During that time, he served in various officer positions such as Assistant Fire Chief, Board of Director/Trustee, Assistant Ambulance Captain, and Medical Supervisor. He served on many committees which improved efficiency on the delivery of services. He has received many awards for this devotion and dedication as a volunteer firefighter.

Brad is currently employed by the Department of the Defense as a Firefighter/EMT/Haz-Mat Technician. He is an active member of the International Association of Fire Fighters Local F-301, where he served six consecutive years as the Secretary/Treasurer. He attained IFSAC/Proboard certification in many disciplines to include Firefighter II, ARFF, Fire Officer III, Fire Instructor II, Fire Inspector III, Vehicle & Machinery Rescue Technician, Confined Space Rescue Technician, Trench Rescue Technician, Rope Rescue Operations, Hazardous Materials Technician, Hazardous Materials Incident Commander, Fire Department Incident Safety Officer, Fire Department Health & Safety Officer, Driver Operator Pumper/ARFF/MWSA. He has completed training to include EVOC, Wildland, NIMS 100/200/300/400/700/800, Structural Collapse, and other miscellaneous classes. He is licensed as an EMT from Pennsylvania DOH.

Brad has experience in writing multiple grants for a nonprofit fire and emergency services organization. He has applied and wrote multiple grants to include; FEMA, Pennsylvania Office of the State Commissioner, Fire Fighters Support Foundation, Fire Fighter's Charitable Foundation, Walmart Community Grant Program, FM Global Fire Prevention Grant Program, Firehouse Subs Foundation Grant, State Farm Good Neighbor Citizenship Company Grants, and Alexander Stewart MD Foundation. He secured vital funding for fire and emergency services operational equipment, building renovation needs and debt reduction. He solicited and received many letters of support for grant projects on the federal, state and local levels. He is a member of the Grant Professional Association, which he is held to high ethical standards.

Brad is an avid Pittsburgh sports fan, and enjoys fishing and camping. He is a featured blog contributor for Fire Engineering. He is very passionate about helping fire and emergency organizations deliver the best quality services to their communities. He is very grateful to have the opportunity to gain education and training in 23 years of fire and emergency services experience that enables him to deliver quality services.
