To Whom It May Concern,

As the President of the South Mountain Volunteer Fire Department, I am writing in support of Mr. Brad Nair in his desires to help Fire Departments obtain funding and find sustainable solutions.

In the years I have known Mr. Nair, he has served as Assistant Fire Chief and Board of Director and served in many committees to improve the quality of services the department provides. In six years of grant writing he was able to secure funding for operational equipment, debt reduction and building addition needs.

His grant writing experience includes Pennsylvania Office of State Fire Commissioner Grant, Firefighters Support Foundation, Firefighters Charitable Foundation, Walmart Community Grant, and the Alexander Stewart MD Foundation. Brad was involved in securing \$\$\$\$\$ for the department. The grant funding enabled the department to increase our capability to meet mission requirements.

I am fully competent in Mr. Nair's abilities. I would have no reservations about hiring him to help your organization. If you would have any further questions please free feel to contact me.

Sincerely,

Brett Nichols
