NOTES to Show Secretaries:

- Please check the web-site (www.juniorshow.ca) for a list of juniors who have already qualified for events.
- UFA Youth Supreme Quest entries may qualify from more than one show. They must be the Purebred and Commercial Champions at your show. Reserve Champions are not eligible. Qualifying animals must be solely owned by the Junior Exhibitor.
- For every 50 youth entered in your show you may qualify one junior and one senior entry in NYC and Western Canadian Showring Judging (a judging entry is a team of two people – judge and ringman).
- For skill competitions, juniors may only qualify from one show. It is their choice if they will qualify from your show or not. Checking the list posted on the web-site will let you know which juniors have qualified from a previous show. If your show is at Synergy you may need to check with other shows there (especially 4-H) to see who has already qualified as we will not know those qualifiers to keep the web-site updated. Please confirm that the junior will represent your show before you submit this form.
- Each show at Synergy is eligible to qualify participants in all three competitions.
- Please send the names in as soon as possible and within one week of the completion of your show. We get calls from juniors wondering if they have qualified or not, so the quicker we have that information the more likely we are to be able to accurately respond to those questions.

Thank you for your co-operation with this.
