# EXPLORE MORE! FALL SESSION

Campers will enjoy three classes over the course of three weeks. Each course will build on the last so students learn and grow throughout!

## FALL CLASSES

### Grades K-3

#### **Artist Studio-**

Use creativity & imagination to delve into the world of lines, colors, shapes, and texture to create your own work of art and to critically critique the art we see.

#### **Lights, Camera, Action-**

Develop confidence and character as you learn to express yourself on the stage through performing arts!

#### **Once Upon A Time**

Bring your favorite fairytales to life and learn why they are important in literature. Each session will explore a new story: act them out, complete a craft, and focus on the lessons they teach us. Dive into your writing skills as we finish up by writing our own.

#### **Dino-Mite-**

How did the dinosaurs eat, travel, and survive? Do you have what it takes to solve the mystery of extinction?

### Grades 4-6

#### **Artist Studio: Mixed Media-**

Using various mediums, students will learn techniques and processes for creating one of a kind pieces.

#### **Chess Foundations & Tournament-**

Chess players of all skill levels are welcome to develop and build on their skills for a friendly tournament.

#### **Lights, Camera, Action-**

Develop confidence and character as you learn to express yourself on the stage through performing arts!
