MANAGERS MESSAGE

Here we are, back at The Park again after another win on Saturday. Everyone loves football under the lights!

We go into tonight's game off the back of a 3-0 win vs Lymington which doesn't tell the story of the game at all, we started really well and created six or seven chances so really should have been out of sight after 20 minutes. Lymington did catch us a couple of times on the counter but thankfully Webby was at his usual best and made two fantastic double saves to see us not go behind. Luckily, we didn't lose our heads, we stayed calm & patient knowing that goals would come eventually.... Which they did. Three goals in 15 mins again, like the week before at Verwood, courtesy of Leon Course & Sanchez McClean x2.

Tonight will be another tough test, Fawley have always given us a good game in the past. They've always been an incredibly hard-working side who will score goals given the opportunity, I don't think their league position always reflects how they play. Don't know much about them this year though as it's still early days, but in the past, they have had a good mix of experienced players & younger lads who are full of energy. If we create the same amount of chances we did on Saturday and defend well we should come out on top, the only way we don't is if we walk into games thinking we are going to win by just showing up. Attitude is key on and off the pitch!!

Thanks for all your support tonight, let's hope we can put on a decent display.

FAWLEY AFC

The Club was formed as AGWI United in 1923 and joined the Hampshire League six seasons later. In 1949 they changed their name to Esso Fawley. They won Division Three of the Hampshire League in 1995 and reached the Premier Division in 1999.

In 2002 they changed their name again to Fawley AFC and joined Division Two of the Hampshire League in 2005. In 2010 they finished as runners-up and were promoted to the Premier Division.

Fawley sustained themselves into the premier division as underdogs every year and narrowly avoided the drop until the season 2016/17. The same year The Waterside Sports and Social Club closed due to financial difficulties, Fawley were relegated on goal difference.

In Division One Fawley has establish themselves as a solid team with the potential to upset the more glamerous teams. This has been proven by beating Shaftesbury, Stoneham, Hamble Club and Sholing to reach the Wessex League cup final in 2018. In 2021 reach the semi final of SSC and narrowing losing to a well organised Follands team

Lee and his management team are in the process of rebuilding a team with a blend of experience Wessex League players combine with enthusiastic local young players. Their aim is to have a team that plays attractive and enjoyable football.

Over the last few seasons our club's small bunch of energetic committee members lead by Chairman Kev Mitchell have been working hard to upgrade the pitch and facilities and now keenly fund raising to build a new club house

The village of Fawley is dominated by the Oil Refinery which has been there since 1921. It was rebuilt and extended in 1951 and is the largest of its kind in the United Kingdom.

ALRESFORD TOWN CLUB HISTORY

Football in Alresford has been found back to the late nineteenth century, but the formation year of the present ALRESFORD TOWN FC side is shown as 1989. Starting in the now defunct North Hants League, Town moved immediately into the Hampshire League before withdrawing in 1996. They returned, again from the North Hants League, in 2000 and then came the 2004 move; they've remained members of the Wessex League since and have been a top tier side since 2007.

The original Alresford Town was established in 1898 and were members of the Winchester & District League. The modern club was established in 1989 and joined the North Hants League. After finishing as runners-up in their first season, they moved up to Division Two of the Hampshire League. The club were Division Two runners-up in 1990/91, securing a second successive promotion to Division One. However, after finishing second-from-bottom of Division One in 1994/95, they were relegated back to Division Two. At the end of the following season the club left to re-join the North Hants League.

Alresford were North Hants League champions in 1999/00 and returned to Division Two of the Hampshire League. After finishing second in Division Two in 2001/02 they were promoted to Division One. In 2004 the Hampshire League merged into the Wessex League, with the club becoming members of the new Division Two. The division was renamed Division One in 2006 and Alresford were runners-up in 2006/07, earning promotion to the Premier Division. After five seasons in the lower-mid table, the club were Premier Division runners-up in 2012/13, a season that saw them win the Hampshire Senior Cup (beating AFC Bournemouth in the final), the League Cup and the North Hants Senior Cup. They were Premier Division runners-up again the following season, also retaining the League Cup and the North Hants Senior Cup, as well as winning the Aldershot Senior Cup.

In 2018/19 Alresford won the Southampton Senior Cup, beating AFC Stoneham 3–0 in the final. The 2019/20 season was abandoned due to the coronavirus pandemic with Alresford top of the Premier Division.

In 2021/22 Alresford won the North Hants Senior Cup beating Basingstoke Town 1-0.
