# T.C. Jester Corridor Project

## Impending Impacts

Before and after drawings for the three intersections where streetlights will be installed are posted on [www.oocia.org](http://www.oocia.org). Essentially, there will be left turn lanes from TCJ at each intersection which will result in some loss of trees on the TCJ median.

As ground work on the traffic signals progresses, properties on the four corners of each intersection (Kennonview, Aspen Bend and Chapel Bend) and certain others will be specifically affected and such residents should prepare to take measures as necessary. At this time it is our understanding Harris County Precinct 4 will **not** provide complete remediation or repair of damages caused by the work. Despite our current lack of sidewalks, standards dictate addition of handicap ramps and sidewalk (about 5 ft. wide and 15 ft. long) at each corner of each traffic signal intersection. Pedestrian crossing controls will be installed as well. In some locations, power cables will be installed parallel to TCJ in the right-of-way near the street and likely will require trenching there. Such work along the right-of-way will cause disturbance to plantings, irrigation systems or anything else residents have installed within that area. Certain residents have started getting alerts from the subcontractor and our management company. ACMI will provide additional notifications to ensure messages are conveyed adequately. Affected residents are urged to take the initiative to relocate plantings/installations beforehand and consider measures to deal with irrigation system disruption.

Specific questions may be relayed to [info@ACMIgmt.com](mailto:info@ACMIgmt.com).

## Tiger Cub Scout Den #1659

I had the privilege of meeting Tiger Cub Scout Den #1659, a very lively group of boys ages 6-7 from Olde Oaks and Oak Creek Village. They meet every Tuesday evening during the school year in full uniform at Wells Middle School to conduct very important Tiger Cub business. They are quite an active group in every sense of the word! On that particular day, the entire group had embarked on a field trip to Old MacDonald Farm, which had obviously made quite an impression on the boys ... and I could only imagine the impression they made on Old MacDonald Farm. The boys and parents informed me about a camping trip in the planning phase which I am entirely sure will prove very memorable for all involved.

Tiger Cub Scouts are 1st grade boys ages 6-7 who participate in activities to further the overall goals of building character, learning citizenship and developing personal fitness. Learning is promoted through earning badges. The first one is the Bobcat Badge, which all boys must eventually earn regardless of when they enter scouts. It involves being able to fully recite/perform about eight tasks, including the motto, law of the pack and scout promise; cub scout handshake, salute and sign. Completion of the Bobcat Badge calls for a special ceremony involving Mom and face-paint. I was keenly interested in the face-painting aspect given the boys' rowdy tendencies, envisioning a colorful not-for-the-faint-of-heart ceremony. But I was assured it was actually a very solemn and

structured affair. The boys simultaneously undertake earning "beads" for specific tasks per category toward the coveted Tiger Cub Badge.

This high energy band of little brothers undoubtedly creates many interesting times and fun anecdotes. Kudos to the stalwart Den Leader, the many dedicated parents and at least one intrepid grandmother (Gwen) who make it all possible.

## Curb Appeal – It's more than just about the pretty flowers.

A home with great curb appeal is not only a delight to the eye, but also extends a positive message about the homeowner and the community in general. Potential home buyers naturally infer the obvious pride and care taken on the exterior appearance are indicative of the level of attention taken to all aspects of the residence. This can translate to quicker sales at higher prices.

Taking care to keep landscaping well trimmed and adding strategic lighting has been shown to deter crime. Neighbors with great looking yards serve as good motivation to improve our own and help make the immediate vicinity more desirable. Sprucing up front yards provides a good opportunity for productive exercise, to interact with neighbors and showcase your own sense of creativity.

Take the initiative to compliment neighbors with beautiful yards when you happen to see them out working on their yards; I have yet to encounter one who isn't genuinely surprised and grateful their efforts are appreciated.

## Neighborhood Security

Our neighborhood employs four full-time Harris County deputies to provide neighborhood patrol coverage at all times. Report criminal or suspicious activity immediately!

# Father's Day!

Sunday, June 15

The older I get, the smarter my father seems to get.  
~ Tim Russert

When I was a kid, I said to my father one afternoon,  
"Daddy, will you take me to the zoo?" He answered, "If the zoo  
wants you, let them come and get you." ~ Jerry Lewis

It is admirable for a man to take his son fishing, but there is  
a special place in heaven for the father who takes his daughter  
shopping. ~ John Sinor.

## Other June Days of Note

**Doughnut Day** is the first Friday in June (this year June 6) and commemorates the women volunteers who prepared doughnuts on the World War I battlefield for American G.I.s. Doughnuts were virtually unknown in the U.S.A. but became so popular that when the "doughboys" returned home, their demand for this sweet treat led to the creation of a pastry that has been embedded in American culture ever since.

**Flag Day** is always on June 14 and is a day for all Americans to celebrate and show respect for our flag, its designers and makers. Our flag is representative of our independence and unity as a nation. It is a symbol of a proud and glorious history and is at the lead of every battle fought by Americans. It is worthy of our reverence.

**Summer Solstice** will be on Saturday, June 21. It is the official start of summer! Summer Solstice is also known as "midsummer" and is the longest day of the year in the northern hemisphere. Days leading up to it are progressively longer; days immediately following are shorter.

# The Woodlands offers the Ultimate 4th of July Celebration

Celebrate America's independence in The Woodlands on July 4, 2014, at the 17th annual Red, Hot & Blue Festival, presented by Clear Choice Orthodontic Associates, and the Fireworks Extravaganza, presented by BBVA Compass. As one of the community's signature events, the festival will feature live music, children's activities and vendors capped off with a 20-minute spectacular fireworks show, simulcast on Sunny 99.1 FM.

Produced by The Woodlands Convention & Visitors Bureau, the festival will be held in Town Green Park and along The Woodlands Waterway. Families can enjoy hot dog and watermelon eating contests, face painting, strolling performers, games, inflatables, arts and crafts, concessions and more from 6 p.m. to 10 p.m.

Due to construction at Waterway Square, all festival activities will be located in Town Green Park and along The Woodlands Waterway. Waterway Square will not serve as a Festival location for this year's event. Families are advised to watch for test shots fired every ten minutes from 8:40 p.m. until 9:10 p.m. to ensure the best viewing locations. Visit [www.redhotblue.org](http://www.redhotblue.org) for the most up-to-date information about festival activities and fireworks locations.

Leading up to the Red, Hot & Blue Festival, families can spend an evening under the stars at the Houston Symphony's annual Star Spangled Salute, a free concert at The Cynthia Woods Mitchell Pavilion on Thursday, July 3, starting at 8 p.m.

The next day, the Fourth of July celebration begins bright and early with the South County Fourth of July parade at Market Street, 9595 Six Pines Drive, starting at 9 a.m.

After the parade, cool off at Splash Day from noon to 4 p.m. at one of 14 pools in The Woodlands. Later, bring the kids to Northshore Park, west of Lake Front Circle on Lake Woodlands Drive, for the "Things That Go" Bike Parade and Decorating Contest at 4:30 p.m. Children 14 years and younger are invited to parade their patriotically-decorated bike, scooter or wagon around the park with awards presented throughout the afternoon. The Concert in the Park will follow in Northshore Park at 5:30 p.m.

Beginning at 6 p.m., families can head over to Town Green Park and along The Woodlands Waterway for the annual Red, Hot & Blue Festival. After a welcome from Dana Tyson with Sunny 99.1, the Bud Light Stage will feature live music from Josh Fuller, Dirt & Diesel and Nobody's Fool.

On the Talisman Energy Stage, Jay Rodriguez from Sunny 99.1 will welcome the crowd followed by live music performances by The Level One Band and Will Makar & The Redline.

## Parking and Other Information for the Red, Hot & Blue Festival

Handicap parking is available in the South Regional Library west of Town Green Park on Lake Robbins Drive.

Coolers, outside food and drinks are prohibited in Town Green Park during the Red, Hot & Blue Festival.

The Woodlands Waterway Cruisers will operate on The Woodlands Waterway on July 4, 2014 until 8:45 p.m. The cruisers will resume regular operating hours on Saturday, July 5, 2014, at 11 a.m. For more information on the Fourth of July activities and The Woodlands, go to [www.redhotblue.org](http://www.redhotblue.org), [www.VisitTheWoodlands.com](http://www.VisitTheWoodlands.com) or call 281-363-2447.
