# ARE YOU PREPARED?

Welcome to the Gulf Coast's hurricane season, which lasts from June 1 through November 30. Hurricane season has been uneventful in Houston since Ike in 2008. However, a little preparation on all of our parts now can save lives, money and time in the event that Houston's number is up in 2013.

Now is the time to make a plan for your family's safety. Will you stay put and "hunker down," or will you seek refuge with relatives or at a hotel further to the north or west? What will you do with your pets? Do you have a medical condition that would make it hard to evacuate without assistance? While we all hope for the best, here are some tips to help you prepare for the worst:

- Talk to your insurance agent and make sure you understand your homeowner's coverage and the claims process before you are forced to use it. Make sure you have the proper documentation in place to substantiate the repair or replacement of household items if they are damaged or destroyed.
- If you intend to buy a portable generator or plywood for window shutters, do it now – these items become hard to find when a storm enters the Gulf. The building industry in Houston is ramping up, and plywood is already in short supply.
- Make an emergency kit. Use a clean 40-gallon trash bin to house your kit. It can double as storage for non-potable water. Make sure you have some cash and change, extra clothing, shoes and rain gear, flashlights and extra batteries, battery-operated portable radio, corded telephone for your land line, small fire extinguisher, pliers, duct tape, matches, plastic storage bags or storage containers, a can opener, pen and paper,

automotive signal flares, plastic sheeting, hammer and nails or staple gun, toilet paper, disinfectant, first-aid supplies, a supply of all prescription medications, blankets and sleeping bags, diapers, wipes and formula. Make sure to store enough water to have one gallon per person for at least seven days.

- Each time you shop for groceries during hurricane season, add a couple extra items to the cart like peanut butter, crackers, tuna, granola and cereal bars, canned veggies, instant coffee and powdered drink mixes.
- Buy a portable, waterproof storage box for important documents such as wills and powers of attorney, insurance policies, deeds, birth certificates, marriage certificates, passports, Social Security cards, a list of important phone numbers, a list of bank account numbers and companies, credit account numbers and companies, and an inventory of household items.
- If you evacuate, turn off water to your home at the main valve and shut off electricity at your breaker box. Shut off propane supplies to appliances like outdoor grills, but do not turn off your natural gas supply unless instructed to do so by local officials.
- Clear your property of all loose items like toys, building materials, flower pots, statues, bird baths, patio furniture, bicycles and trash cans. These objects can become projectiles in high winds.
- Leave your swimming pool filled. Securely cover the pump, filtration system and intakes with plastic sheeting.

Don't make your vehicle or property an easy target for criminals – keep your garage door closed if you are not in the garage or yard, lock your car doors when you exit, and take your valuables, like lap tops, cell phones, weapons, and jewelry out of the car when you go inside.

Olde Oaks/Waterford Park has four full-time Harris County Sheriff's deputies who patrol the neighborhood at all times. If you see suspicious or criminal activity occurring, call 9-1-1 for emergencies and 713-221-6000 for nonemergencies.

## News in Brief

### Eagle Scout Project Announcement

Hi, my name is Daniel Wright. I am working toward my Eagle Scout rank. For my Eagle Scout project, I am having a *Basic Baby Needs Drive* for Care Net Pregnancy Center. Care Net needs diapers, wipes, baby powder, diaper cream, and other baby basics, as well as new baby clothes and used maternity clothes. Along with several other workers, I am also going to help build six lightweight, interlocking tables for Care Net's classrooms and conference area to replace some heavy, poorly built ones, so cash donations for supplies are also appreciated. Please drop off donations in the receptacle near my front door at 15126 Morning Pine Lane. Thank you for your help!

## Book Club

### "Footnotes"

Book Club this month will be on **June 25** at the home of **Joan Larkin** with Jerry Lutz as discussion leader. I'm sure many of you have heard of or read books by Isabel Allende, and her novel, *Inés of My Soul*, will be the topic for this month's discussion.

Ms. Allende is a new author for us as a group, so I'm sure we all look forward to this meeting because of her interesting background. Allende was born in Peru and raised in Chile. She is the author of eight novels, a collection of stories, three memoirs, and a trilogy of children's novels. Her books have been translated into more than twenty-seven languages and have become best sellers across four continents. In 2004 she was inducted into the American Academy of Arts and Letters. She presently lives in California.

*Inés* takes place in the sixteenth century at the beginning of the Spanish conquest of the Americas. Inés Suárez, a seamstress, is seemingly caught in a rut of no hope for a more prosperous future. Her shiftless husband disappears into the New World and she flees to Peru for new adventures whereupon she learns he has died in battle. She meets the field marshal to Francisco Pizarro, Pedro de Valdivia. Together they are caught up in civil wars in Chile, struggles which change them forever and pull them toward separate destinies.

At our May meeting we chose books for July through November. I will include that list in the **July** newsletter.

**M**arried for 30 years, Cherie and Mark Countz dieted over and over again, losing and regaining weight while raising their three children. It seemed like this was a fight they couldn't win.

"We tried every diet in the world, but nothing worked. Finally, we decided to give weight loss surgery a try for health reasons," explained Cherie. "Today, I don't have to take blood pressure medicine and Mark's type 2 diabetes and high blood pressure are both gone."

## Northwest Assistance Ministries

### NAM Kicks Off Back-to-School Drive

School may just be ending, but Northwest Assistance Ministries is already preparing to help students head back to class in the fall. Every year, NAM hosts a Back-to-School Drive to purchase supplies for local children in need. The drive benefits students in kindergarten through 12th grade who attend school in Spring ISD and Klein ISD, as well as portions of Aldine ISD and Cy-Fair ISD. Last year more than 2,300 students received supplies from NAM.

"Part of the fun of a new school year is that fresh box of crayons or brand new folders just waiting to be filled with creative ideas," said Carole Little, President and CEO of NAM. "We want every student to be enthusiastic about school and have the tools to succeed. When children and teens are excited about learning, it can only mean good things for their life." A gift of \$230 will provide school supplies for ten children. NAM purchases supplies in bulk, pre-packaged by grade level, so the cost is greatly reduced and your donation goes further.

To show your support of local students with an online donation to the Back-to-School Drive, please visit [www.namonline.org](http://www.namonline.org) and select "Special Projects." You may also mail your contribution to NAM, 15555 Kuykendahl Road, Houston, TX 77090. For more information please call 281-885-4555.
