### COMMUNITY NEWSLETTER

OLDE OAKS COMMUNITY IMPROVEMENT ASSOCIATION

#### Notice to Homeowners of Olde Oaks CIA Board Meeting

**When:** 2nd Wednesday of each month  
unless otherwise posted

**Where:** MUD 44 Bldg. on TC Jester  
on south side of the bridge

**Time:** 6:45 p.m.

Jan. 9, 2013 • Feb. 13, 2013  
March 13, 2013

Monthly meetings are conducted to address the Board's new and old business. Residents are encouraged to attend; however, discussion during the Board Meetings is limited to the directors. A brief Q&A session will be held at the end of each meeting for resident questions and comments. Residents with specific property or account concerns should address these questions to ACMI directly. If you want to receive an email reminder for upcoming meetings, send an email request to [info@ACMIgmt.com](mailto:info@ACMIgmt.com) with your name, address and email address.

#### Election of the Board of Directors

The Olde Oaks Community Improvement Association (Association) consists of the Olde Oaks and Waterford Park subdivisions, and its affairs are run by a Board of Directors. The Board consists of five Directors who are elected by the Association membership at the Annual Members' Meeting. Of the five Directors, three are elected in even-numbered years and two in odd-numbered years; thus, two Directors will be elected at the next Annual Members' Meeting to be held on **February 13, 2013**.

Any members interested in running for one of the two open Board positions are encouraged to complete the Application Form and submit it to the Nominating Committee for consideration. The Nominating Committee will then nominate two individuals from among the applicants. Applicants not selected by the Nominating Committee can still volunteer to run for the Board "from the floor" at the Annual Members' Meeting.

To be a Director, an applicant must be a member of the Association which means they must own a home in Olde Oaks or Waterford Park. Thus, tenants living in Olde Oaks or Waterford Park are not eligible to run for the Board. As a result of recent changes in Texas law, no one who has been convicted of a felony or crime of moral turpitude can become a Board member.

Applicant must also be willing to commit approximately 15-20 hours a month to fulfill the responsibilities of a Director which include, but are not limited to, attendance at the monthly Board meetings which are held on the second Wednesday of the month from 6:45 p.m. to about 9:30 p.m., to act as one of the Officers of the Association (i.e., President, Vice President, Secretary or Treasurer), to participate as Chairmen on Association committees and to respond to emails and/or participate on conference calls as required to conduct Association business.

Applications for the Board can be submitted by mailing them to OOCIA Nominating Committee, c/o ACMI, 12603 Louetta Road, Suite 101, Cypress, TX 77429 or by emailing them to [info@ACMIgmt.com](mailto:info@ACMIgmt.com) with the subject line "OOCIA Nominating Committee."

All applications **MUST** be received by ACMI by 4 p.m. on Thursday, December 27. This deadline will not be extended and any application received **AFTER** this deadline will not be considered by the Nominating Committee. Late applicants may, however, volunteer to run for the Board from the floor of the Annual Members' Meeting.

## Book Club

### “Footnotes”

At the time I write this, our group has not met for November, so in the **January 2013** issue, I'll list the books we've chosen for January through June.

In the meantime I thought I'd suggest, as if you don't already know, that the seasonal craft shows are a great place to pick up used books at very low prices. Some that I've found that are fast, enjoyable reads are Lisa Scottoline's *Lady Killer*, Jack Higgins's *Cold Harbour*, and Brad Thor's *The Apostle* and *Takedown*.

Some nonfiction that might catch your attention are Mike Horn's *Conquering the Impossible: My 12,000-Mile Journey Around the Arctic Circle*, *The Professor and the Madman: A Tale of Murder, Insanity, and the Making of the Oxford English Dictionary* by Simon Winchester, and *Strength In What Remains* by Tracy Kidder. Winchester also wrote *Krakatoa*, which we read and discussed a few years ago. Kidder also wrote *Mountains Beyond Mountains* which is our book for this month. *Strength*, a *New York Times* bestseller, is about a man from Burundi who arrives in New York with little money, no English, and no contacts but a desire for a better life. He finds it through strangers who do change that life for the better.

In early **December** we'll meet for lunch at an area restaurant and just eat and socialize. Until the January issue enjoy the upcoming holidays, one and all.

*Kathy Hall, Book Club Coordinator*

# Free CPR Opportunities

## Certification Courses

Cypress Creek EMS (CCEMS) offers American Heart Association (AHA) CPR courses at its education center located at 7111 Five Forks in Spring. To schedule a course for formal AHA certification, you can call CCEMS at 281-378-0800. There is a nominal cost for the courses leading to certification.

## Non-Certification Courses

For those of you who are more interested in just "knowing" so you do not feel helpless when someone calls out for help, I teach an AHA CPR course for CCEMS called "Family & Friends." This course is designed for the lay person, and no prior medical knowledge is needed. CCEMS allows me to teach up to 25 F&F students free each month. All I need are students.

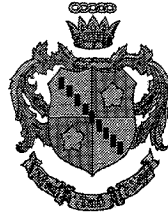

This F&F course is about two hours long and teaches CPR and choking for adults, children and infants. We also go over the use of a defibrillator, many of which are located in public locations such as schools and churches. I can teach this class during the day or in the evening. Class size is ideal for 6-12 people. Due to volume, I cannot schedule individuals. So I ask you to gather your friends or church choir or book club or golfing group or whatever, contact me with a date and time proposal, and I will respond. If you have more than 12 people, we can schedule two classes.

Prepare yourself for the possibility that a tragedy could strike a stranger around you at any time, and in the worst case ... one of your friends or family members. This course will prepare you for what to do while waiting for paramedics and will mean you never have to say, "I didn't know what to do."

Contact [pbarnton@ccems.com](mailto:pbarnton@ccems.com) to schedule your group. I'm waiting!

# Texting While Driving Is Deadly

According to the Center for Disease Control and Prevention, more than 15 people are killed and more than 1,200 people are injured daily in crashes that were reported to involve a distracted driver. Distracted driving is driving while doing another activity (like talking on the cell phone, texting, eating or fidgeting with your vehicle's technology) that takes your attention away from driving; these activities can increase the chance of a motor vehicle crash. Some studies have suggested that texting or talking on a cell phone while driving is worse than driving under the influence of drugs or alcohol, because your mind is preoccupied with a conversation.

The National Traffic Highway Safety Administration (NHTSA) published the following alarming statistics:

- Five seconds is the average time your eyes are off the road while texting. When traveling at 55 mph, that's enough time to cover the length of a football field.
- A texting driver is 23 times more likely to get into a crash than a non-texting driver.
- Of those killed in distracted-driving-related crashes, 995 involved reports of a cell phone as a distraction (18 percent of fatalities in distraction-related crashes).
- Using a cell phone while driving, whether it's handheld or hands-free, delays a driver's reactions as much as having a blood alcohol concentration at the legal limit of .08 percent. 20 percent of injury crashes in 2009 involved reports of distracted driving.

When driving through residential neighborhoods, such as Olde Oaks, it is particularly important that you do not text and drive or be distracted while driving. Your reaction time will be greatly delayed, if you are texting or occupied with your cell phone. There are pets being walked or crossing the street, not to mention kids, joggers, walkers, and others who may be working on their yards. Be careful to restrain your vehicle to a safe speed, and watch out for activity in the neighborhood.

If you find yourself prone to texting while driving, here are a few tips to help you nix the behavior:

- When you're in the car, put your phone where you can't get it. A place where you won't even be tempted to look for it. **No phone. No texting.**
- Turn those notifications off. The less you hear your phone, the less tempted you'll be to respond while you're driving.
- Borrow thumbs from a friend. Or lend yours to a friend. Passengers get the privilege of texting while in motion.

For more information and even more startling texting and driving statistics, visit the NHTSA's Stop Texts Stop Wrecks website.

Whenever you have information about suspicious or criminal activity and report it to the Harris County Sheriff's Office, it is helpful and contributes to the safety and betterment of your community. These reports are available between law enforcement as communication to fortify their efforts to stop crime. In Olde Oaks and Waterford Park, we have HCSO deputies who patrol our neighborhood, and they encourage you to call in your information to the numbers listed below. Anonymity is available.

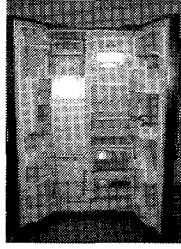

**It is more effective to call immediately while it is occurring:**  
Emergencies 9-1-1 or 713-221-6000

You can choose to call even though it has already happened: 713-221-6000

To request a Contract Deputy to contact you, call nonemergency/informational: 713-221-6000
