

Announcing a second fund for the Ferrell-Duncan Clinic Foundation at the Community Foundation of the Ozarks

The Ferrell-Duncan Clinic Foundation Fund for University of Missouri Medical School Support

This Giving Circle non-endowed fund is established specifically for supporting the sponsorship of the new Springfield Campus University of Missouri four year medical school. This fund for the new medical school will supplement donations from the Ferrell-Duncan Clinic Foundation endowed fund at the Community Foundation of the Ozarks.

Springfield was chosen for the first major expansion of the University of Missouri Medical School. This will have a transformational impact on health education and healthcare for Springfield, southern Missouri and the entire state.
