

Millions of people are victims of consumer fraud and identity theft every year.*

You Need
IDTheftDefense.

IDTheftDefense™

IDTheftDefense™
PLATINUM

Identity theft and other types of cyber fraud continue to be a growing issue both in the United States and globally.*

Victims can spend an exorbitant amount of time and money dealing with identity theft and its consequences. The criminals are getting better at their craft. And they're not going away. You need the protection of an established institution that understands the many potential threats, how to protect against them, and how to restore your identity to its pre-theft status. You deserve the peace of mind IDTheftDefense/IDTheftDefense Platinum can provide.

MONITOR

More of what matters

IDTheftDefense monitors your Personally Identifiable Information (PII) from all angles, not just your Social Security number, credit cards and bank accounts. IDTheft Defense monitors much more. If any change in your status is detected, you receive an alert via push notification to a mobile device.

CONSULTATION

When you need it

IDTheftDefense identity specialists are available to provide consultations on an unlimited number of identity related issues or concerns. You don't have to be a victim of identity theft to take advantage of consultation services. Consult with an identity specialist when you have questions about a recent data breach, receiving a suspicious email or phone call and even get tips on proactively protecting your personal information.

RESTORE

Your identity

All IDTheftDefense members have access to consultation services provided by our licensed private investigators if an identity theft event does occur. The investigator will do whatever it takes for as long as it takes to restore your identity to its pre-theft status. The investigator will work on your behalf to resolve the issue by contacting the appropriate government agencies, financial institutions, credit bureaus and collection agencies.

How do you beat criminals?

WITH THE BEST TEAM POSSIBLE.

IDTheftDefense restoration services are:

- **FULL SERVICE**

Investigators will work on IDTheftDefense members' behalf to resolve their identity theft issue by working with the appropriate government agencies, financial institutions, credit bureaus and collection agencies.

- **RETROACTIVE**

Even if you have a preexisting stolen identity event, you will still receive restoration services.

- **UNLIMITED SERVICE GUARANTEE**

IDTheftDefense will do whatever it takes, for as long as it takes, to restore your identity to its pre-theft status.
