ACTS OF THE HARVEST

Monthly Electronic Bulletin - July

God's call to each of us is personal and non-transferable.

Church planting is our calling. It was through the birth of churches around the world that the Christian faith spread to us today.

We need to dedicate ourselves to our mission tirelessly.

When we look at the Churches of Christ in Teresina and Boa Vista, we can see the power of God and part of our mission being accomplished. We prayed with fervor; we offered; and we had partner congregations that joined in this project together with Colheita Brasil to spread the gospel and plant churches in these capitals.

Our invitation is that you continue praying for missions, offering in love, supporting and spreading the mission of Colheita Brasil. You can send; you can go; your congregation can come together, seek partners, and join us to support a new team. There are many ways to serve in this common call - the call to plant churches in all the capitals and respond to God's will for all of us.

"We know that in all things God works for the good of those who love him, who have been called according to his purpose.
