

What's That Number????

Gentlemen, this is a friendly reminder of why I constantly remind riders about bad number placements - the pictures you are seeing are what I see from the FinishLynx. So if I can't read the number from here, I can't place you!! I am not on a podium high up in the air, so please make sure that the bottom of the number is on the side panel of the jersey.

Thank you all in advance for your understanding and cooperation.
