ITINERARY OVERVIEW

An incredible journey with R' Yonah Bookstein for men who love whisky, adventure, and farbrengen enjoying Scotland's spectacular natural beauty, history and distilleries.

On this trip the group experienced the creation of the "water of life" at Scotland's most storied distilleries. Enjoyed Glatt kosher food prepared by their own private chef and nourished the spirit with daily learning opportunities.

I loved spending time together with the chevra. The food and catering were awesome, especially the incredible shalesheudes. The Glendronach and SMWS tastings were epic.

DAY 1

The group arrived to Inverness airport and enjoyed a private tour of Culloden Battlefield alongside a whisky tasting.

DAY 2

A full day of touring visiting three different distilleries across the Speyside and Highland regions with incredible guides.

DAY 3

The group travelled from Inverness to the Isle of Skye visiting two distilleries and enjoying a glatt kosher BBQ on the beach.

DAY 4

Travelling south the group arrived in Glasgow with an opportunity to daven in the historic Garnethill Shul and enjoy the city.

The group stopped in Stirling to visit the famous castle and more distilleries before heading to Edinburgh for shabbat.

Many bottles of whisky including a Laphroaig 27 were consumed over shabbat as the group prayed with the local Chabad.

The group said their goodbyes on the last night with a private tasting at the classic Scotch Malt Whisky Society.

Kosher Scotland helped one guest go on an extension trip to the island of Islay to experience the famous smoky scotch.

CULINARY EXPERIENCE

Luxury kosher dining every day with an on-site private chef and kosher supervisor. Meals ranged from a BBQ on the beach of Skye to three-course fine dining - all glatt kosher.

Kosher Scotland is under the strict supervision of Rabbi Moshe M. Rubin. *Mara d'asra* of Scotland and *Av Beit Din* of the West of Scotland Kashruth Commission.

WHISKY TASTINGS

Exclusive tastings at multiple distilleries and private venues enjoying a selection of 20 and 30 year old rare whiskies only available in Scotland.

LUXURY TRANSPORT

The group covered thousands of miles on this trip to see distilleries all around Scotland and when you are travelling this much you have to go in style.

Kosher Scotland uses only large 5-star luxury vehicles so the group had plenty of space to stretch out on the bus while travelling throughout the day
