WHY MEADOW VIEW

An impressive collection of just thirteen 3 and 4 bedroom residences, crafted by local developers Belgrave Homes, overlooking the serene countryside in Pamber End.

THE DEVELOPER

Belgrave Homes prioritises the quality and standards of their completed projects, ensuring homes are move-in ready at no extra expense. As a local business, they are committed to fulfilling their customers' aspirations while being mindful of the communities and local environments where they operate.

Their pursuit is to reach exemplary standards while crafting the dream homes of their clients. They invest time in designing custom properties tailored to your requirements.

They create residences that enrich the surrounding environment and support local communities. These homes are tailored for contemporary living. Their committed team guarantees that every aspect of each residence is meticulously crafted and flawlessly completed.

The core of Belgrave Homes lies in their dedication to design and quality, fueled by passion and commitment.

Belgrave Homes proudly belongs to the NHQB, guaranteeing exceptional quality in new homes and safeguarding buyers' interests.

The New Homes Quality Board (NHQB) is a non-profit, independent organization established to monitor improvements in the standards of new homes and the service delivered by developers.

The New Homes Quality Code (NHQC) encompasses a wide array of quality benchmarks that start with a customer's initial inquiry, continue throughout the sales journey, and extend for an additional two years after moving into the new residence. Comprehensive information regarding the code is accessible at www.nhqb.org.uk/homebuyers.html

THE DEVELOPMENT

This development has been meticulously crafted, emphasising exquisite details, high-quality fixtures, and cutting-edge features. Experience designer kitchens equipped with built-in appliances to showcase your culinary skills. Enjoy stylish family bathrooms and en suites with premium sanitary ware for your well-deserved relaxation.

In every residence, the focus is on creating a haven of comfort that promotes energy efficiency and requires minimal upkeep. Every detail of your family home is thoughtfully crafted and constructed to precise standards; for true quality, it's often the small touches that truly matter.

Every residence will enjoy the warmth of underfloor heating on the ground floor, complemented by air source heat pumps and solar panels. Each home will feature beautifully landscaped front gardens and spacious rear gardens, all securely enclosed with fencing and accessed through elegantly framed ledged and braced gates.
