

Old Windsor AC

FISHERY RULES AND MAPS

ALL FISHERIES LISTED HERE ARE INCLUDED IN OWAC MEMBERSHIP

GENERAL RULES APPLICABLE TO ALL FISHERIES

1. PERMITS

No member shall be on club waters without carrying their current permit.

2. CONDUCT

All members shall pursue their angling activities in a sportsman-like manner, having due regard to the rights of the property owners adjacent to the waters and the property controlled by the Club. They shall conduct themselves in an exemplary manner and shall not interfere with the sport of other anglers or other water users.

3. REGULATIONS & BYLAWS

Fishing shall be subject to Environment Agency license laws and bylaws, and local rules where applicable.

The club may impose rules stricter than those of the Environment Agency, see below.

4. General rules

All fish are to be returned.

Any person found leaving litter will have their permit withdrawn.

Fish from designated pegs only.

No alcohol.

No cutting of trees or bankside vegetation.

No bonfires or barbeques.

No camping.

No guns or offensive weapons.

Night fishing is allowed on some fisheries. See individual maps for more information.

Anglers must keep to the footpath along the bank and not cross fields for any reason except where authorised on the permit.

No radios (unless earphones are worn) or musical instruments.

Any infringement will result in the defaulting member being brought before the club Committee.

5. Publicising your catch

To avoid the unwelcome interest of poachers, if you contact the press about any specimen fish you catch on club waters do not mention the name of the fishery, or any information which may identify it, without first obtaining the committees approval.

6. Safety while fishing

Lakes and rivers are potentially hazardous places.

Members are reminded to take care when fishing and particularly when wading.

A **Safety While Fishing Guide** is available on request.

Day tickets

Day tickets are available for most of these fisheries.

See individual maps for issuing club or association.
