October 2026

Dear Homeowner,

The upcoming Homeowners Association Annual Meeting and Election will be held at 7:30pm Tuesday 27th October 2026. Your board of Directors encourages every homeowner to attend this meeting if possible and to cast votes for board members for the new board year.

For those unable to attend the election meeting we enclose an absentee ballot and ask you to please *use this to vote ONLY if you cannot attend*. At the nominations meeting held last month no additional candidates were nominated - currently the existing board members are the only candidates. Note that additional candidates may be nominated on election night prior to voting. Also, write-in candidates may be added to the enclosed ballot. The absentee ballot contains the names of the current board members.

We encourage you to vote – either in person at the meeting or by mailing the Absentee Ballot – thank you.

Sincerely,
Your Homeowners Association Board of Directors
