First, I would like to thank God, for without him, none of this would be possible. My mom and dad for continuing to believe in me. To the BMG US Latin family, Francisco Villanueva, Leslie Zigel, who gave me the opportunity to do this project, Mariéga Villasana, for all your hard work, Harris-Peter and the whole BMG Munich family: thanks for seeing and believing in my potential. Sara Silver and the whole BMG London staff: you're the greatest, and Sara: you're awesome. Brian Rawling and Gary Miller and the whole Rive Droite staff for the songs and production: you guys are the bomb. My manager Mike Rosen for all the effort in making this happen. Dash Entertainment, Sheila Bass, Felix Mendocoz. To the Houston bunch: thanks for being there. Rene Koli and Star Event, Joe Moses, Kevin Reams: our friendship is just beginning; thank you. Last, but not least, to all my fans, new friends and fans across Europe and the world: this is for you. THANK YOU!
