Food Pickup: Approx 2:00 on game days. Coach will be in touch with you prior to the day with instructions of where to pick up and drop off the food.

Gate Ticket Sales: Please arrive 30 minutes prior to game time and connect with Justin or Coach Gabriel to receive the backpack and instructions. At the end you will turn the backpack into the administrator on duty, Justin, a booster board member or Coach Gabriel. You may move the ticket sales table closer to the stadium walkway so you can keep an eye on the game.

Concession: Please arrive 30 minutes prior to game time and find Justin or Coach Gabriel to get the money bag. The concession area should be unlocked. If it's locked reach out to Coach via cell above. Go in and stock the mobile concession cart with snacks & beverages labeled for Flag Football. At the end of the game, return the mobile cart to the concession area and give the money to Coach Gabriel. The mobile cart will be inside the stadium so that you may watch the game as you sell. ****Two important notes:** If you use a school rolling cooler it must be fully emptied and left open to dry at the end. Also, only Cokes in the Coke coolers please. If a non-Coke product is left in there and it is noticed by Coke, then the school could lose the Coke sponsorship.

Field Marker: Please arrive 15 minutes prior to game time and report to the referees on the field and they will instruct you.

Time Clock: Please report to the field no later than 30 minutes prior to the start of the game and connect with Justin or Coach Gabriel for instructions. There will be a notebook with details.

Game Announcer: Please report to the field no later than 30 mins prior to the start of the game and connect with Justin or Coach Gabriel for instructions. There will be a notebook with details.
