Player Fee's:

Your Booster club is set up to support and promote the flag football team. We are made up of parents, alumni, and other supporters who work together to raise funds, provide resources, and are generally here to help to build a strong and successful program.

- **Equipment and Supplies:** Booster club fees can be used to purchase and maintain equipment and supplies needed for the flag football team, such as balls, flags, cones, and other training equipment.
- **Field Maintenance:** Booster club fees can be used to maintain the fields and facilities where the flag football team plays and practices. This can include things like mowing the grass, repairing damage to the field, and keeping the playing surface safe and in good condition.

- **Travel Expenses:** If the flag football team travels to play games or tournaments, booster club fees can be used to cover the cost of transportation, lodging, and meals.
- **Uniforms:** Booster club fees can be used to purchase uniforms for the flag football team, including jerseys, shorts, socks, and other apparel. (Aka: Player Packs)
- **Coaching and Training:** Booster club fees can be used to supplement coaches and trainers for the flag football team, as well as provide training and development opportunities for players.
- **Banquet:** Booster Club fees will be used to provide funding for an end of season banquet. Which will include the cost of food, awards, & decorations/entertainment to a location that has yet to be determined.

By supporting the flag football team through booster club fees, individuals can help ensure that the team has the resources it needs to be successful and provide a positive experience for all involved, especially your children.

Sportsmanship, from everyone, is an expectation so please follow these guidelines during a game.

- Let the players play.
- Let the coach's, coach.
- Let the officials officiate.
- Let the spectators be positive.

Summer Practices:
