

Welcome to the kick-off of 55 days of faith-filled words!

God wants us to pay attention to the words that come out of our mouths! The bible tells us words have power. In fact, Proverbs 18:21 tells us our words have the power of life and death. The bible also tells us in Matthew 12:36-37 that in the day of judgement, we will have to give an account of every idle word that we have spoken.

Have you spoken damaging words over yourself. Or have words spoken over you years ago that you still remember to this day? Your words and the words of others are important and they have impact.
