- 5-Stand Attendance Update:

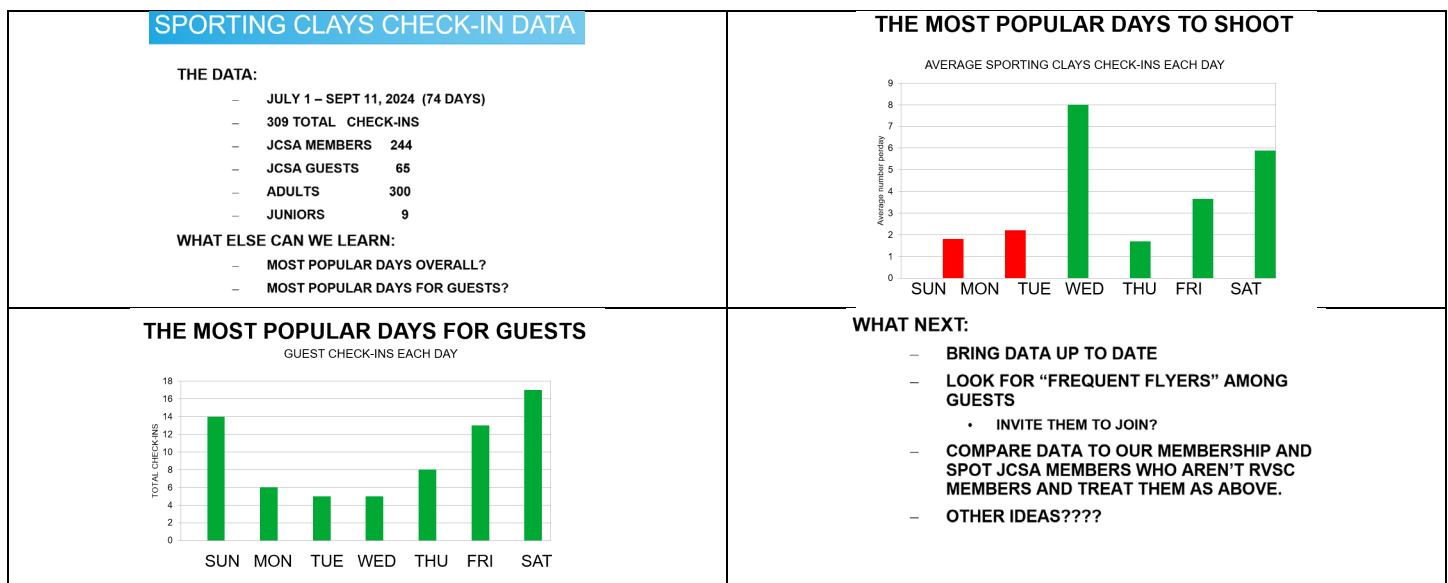

Rogue Valley Sporting Clays Board of Directors Meeting

- 5-Stand shoot days have been moved to Saturdays to test attendance
- North Valley High 5-Stand Roof Welding Project:
 - No county permit required is under 120 sqft.
 - Eric the Welding teacher will organize welding students from local high school to complete the pproject and there will be no cost to JCSA/RVSC
 - JCAS approved RVSC to move forward
 - Board agreed to a 6-station design to include 5 individual shooting stands and 1 scorekeeper booth (with a desk)
- Battery/Solar Project:
 - 4 batteries and about 8 solar panels (with integrated charge controllers) are ready to deploy as lead acids die
- Golf Carts:
 - Tires have been replaced and batteries changed
 - Land Pride having some starting issues. In progress
- Next Workday:
 - 12/7 was selected as the “Fall Fling” Workday
 - The board would like to ask Paul to lead the effort again!
 - Chris stated he and Jim will mark some trees to be cut specifically to improve solar charging and bird path
 - Station 1: Add to December workday
 - Station 11: Add to December workday
 - **Pauls list:**
 - cut/pile/burn at least 5 dead pines on the course, several station
 - cut/modify most green benches on range, less likely to tip with someone sitting on one end
 - cut/remove/burn a few fallen trees
 - finish Sta 11 shooting platform
 - clean/sort/save/scrap stuff in “buggy shed”
 - paint buggy shed?
 - do something with Sta 1 elevated platform?
 - do something with unused platform between Sta 7 & Sta 8?
 - cut/burn low dead moss covered pine branches along range road, reduce fire hazard
 - relocate some traps - all stations
 - it is popular to get firewood during these events, do we want to promote that? Not so many fallen madrones right now, many standing.
 - are there any clubhouse projects?
 - work on 5-stand shooting stations
- Financial Summary:
 - Club revenue was positive \$1500 in September
 - Richardo shoot was net positive
 - 5-Stand making the most impact currently
 - Card purchase at lobby at new price is going well, per Jim

Rogue Valley Sporting Clays Board of Directors Meeting

- Card Return Box:
 - Craig will build a Card Recycling Box to be placed at Station 14 to encourage the return of RVSC Bird Cards
- JCSA Insurance:
 - No updates
- **Secretary Update (Craig)**
 - Social Media:
 - Facebook subs has doubled. Goal of 2024 is to reach 100+
 - Instagram is still not connected. May need to consider a new page so that we can link it to our Meta site
 - Website now has How-To videos for using targeting system
 - Shooting Stand Quick Guides:
 - Craig will add a general How-To video for basic course usage
 - Lobby Hand-Out (one-pager)
 - Craig will design and submit to board for review
 - Course Overview, Tips & Tricks, Do's & Don'ts
- **Member at Large (Chris)**
 - Membership Updates:

- Chris will continue to work with JCSA to provide additional, regular reporting as to:
 - RVSC members vs JCSA members
 - Monthly Trends
 - Growth opportunities
- **Member at Large (Walt)**
 - Shooting Stand 8 & 9 Sponsorship:
 - Shipping Container:

Meeting closed at: 11:30 am
