FACTS	The first beer brewed by Golden Hill Brewery, later Exmoor Ales. Won Best Bitter at GBBF with only its 13th ever brew. A single malt beer (Chocolate).	The first ever, single malt (Pale) Golden Ale in the UK. First brewed in 1986 to celebrate Exmoor Ales 1,000th brew. Multi-award winner, over 30 to date and still counting!	Our Head Brewer's favourite, Stag was first brewed to celebrate Somerset County Cricket Club's Centenary year. Stag was so well received, it became permanent.	A light amber pale ale. This beer delivers bittersweet juicy citrus hop notes, together with hints of biscuity malt. Finishes crisp and refreshing.	Customers love Exmas Ale so much we extended availability to November too – but order early, Exmas sells out fast!
