D.E.S.K. - Donate Educational Supplies for Kids

The following sponsors have joined together to supply children in the San Angelo Independent School District with School Supplies they may not be able to obtain with their own means.

Over 60% of the SAISD students are on some type of free or assisted lunch program. These are the children we target for assistance.

Assistance will be provided in 2 ways. First, we take the money we have raised and purchase Sam's Walmart Gift Cards to be used to purchase supplies from both Sam's and Walmart. Secondly, we gather all donated supplies and divide them among the schools. Each school has a closet for the teachers to access when a student is needing some type of supply.

Please remember to refer anyone in need of supplies to their school counselor. Due to limited funding, originally the DESK program was only able to help in the SAISD elementary schools. In 2007 we were able to begin providing funding and supplies to the junior highs, the 9th grade campus, and the high schools on a limited basis. Hopefully we will continue to grow and be able to provide assistance to everyone in the SAISD and eventually to those students in our outlying communities who need assistance. We have been able to provide over \$923,000 in cash plus thousands in supplies over the past 19 years.
