

State Commander

Dear Comrades:

Welcome to the 2020-2021 VFW program year. COVID-19 has presented many challenges but as we move forward believe that we can be the top department in our great organization.

Our PA VFW Department has been and will continue to be among the strongest in the nation.

Past State Commander Wayne Perry did an excellent job. We must maintain the willingness to grow and change. We can achieve all goals including surpassing 100% in membership and having total participation in all VFW programs.

Teamwork will help us achieve many great things if we all row in the same direction to our goals. District Commanders must work closely with Posts within their areas. District Commanders must keep our State leadership informed about the challenges we face. Program chairpersons must fully promote the activities they have and garner participation by all Posts. We must work to share proven practices and create solutions to address areas of concern. Inclusion of members from all walks of life must be embraced. We were all in the service and should continue to look out for each other now as we did before.

Comrades, there is no doubt that we can overcome the challenges we face and perhaps even achieve more than we imagined.

I look forward to working with all of you as I visit as many Districts and Posts as I can. See you on the high ground!

Dear Brothers and Sisters:

I would like to first extend Congratulations to those who have been elected and appointed to positions for the 2020-2021 year. Working hand in hand with our Veterans is the reason we are here, and we can accomplish every goal as a TEAM!

Thank you for the amazing opportunity to serve as your Department President! It is truly humbling as well as an honor to work with all of you - "United We Stand."

If you have any questions or need assistance, this directory will help you contact any VFW or VFW Auxiliary Officer and Chairperson. It is vital to share the information with the Brothers and Sisters working the programs. It's also very important the members know that they can reach out to the Officers and Chairpersons.

Our membership theme this year is "We Are Family." This program is essential, for our numbers in Washington are very important for our Veterans and the issues we stand for. "Honoring Our Mission To Serve Veterans", support their families and be present in our local communities is the ultimate goal!

Best Wishes to everyone for an outstanding year.

May God continue to Bless Our Troops!

Loyally,

Wendi S. Hennemann

Department President, 2020-2021
