

**9/11 MOVING TRIBUTE**  
NATIONAL EVENT

This year marks the 20th Anniversary of events that changed our country forever. Thousands of Americans lost their lives in the attacks on the World Trade Center, the Pentagon, United Airlines Flight 93 on September 11, 2001. The event also launched the longest war our nation has ever faced deeply affecting our military community.

September 11 defined the military service of many Team RWB Eagles or was the reason they chose to serve. That's why Team RWB is hosting a moving tribute to preserve the memory and support the veterans who served as a result of 9/11.

In communities across the nation, veterans and supporters will take steps from sunrise to sunset as a tribute to the 2,977 lives lost on September 11, 2001, and the 5,461 service members killed in action in the wars following. Together, we will preserve the memory of those lost on that day and support those who served.
