Fellow Comrades and Auxiliary Members,

Once the Post completes their judging and forwards their winners to the District Chairperson, the Post must enter the participation stats (Post and Auxiliary participation, number of participating students, number of winners advanced, monetary awards and additional money expended) into the dashboard. When the District and Department approves your participation report, National will approve and turn status to MET in the dashboard. This process will ensure each Post receives credit. For more information on reporting program participation visit, vfw.org/my-vfw/all-American-dashboard.

REMINDER: One of Commander Loncar's requirements for All State Post is a Voice of Democracy entry or monetary donation in lieu of an entry. **All Divisions: Donation of \$250.00**
