## VFW magazine

The VFW Publications Department produces 10 issues of VFW magazine each year. It is VFW's widest reaching promotional tool, and the only tangible item each member receives for his or her dues. We publish a section in every issue called "VFW in Action" that spotlights community or veterans service projects conducted by VFW Posts and Departments. These articles also can be expanded to feature-length size if warranted. Please send your story ideas to [magazine@vfw.org](mailto:magazine@vfw.org).

# Checkpoint newsletter

*Checkpoint* is a bi-monthly newsletter aimed at VFW's leaders and activists. *Checkpoint* stories focus on the good work VFW Posts do in their respective communities and serve as an example to those reading. With some 350,000 subscribers, *Checkpoint* features articles about VFW programs such as *Sport Clips Help A Hero Scholarship* and *Unmet Needs*. Please send story ideas for *Checkpoint* to [ldyhouse@vfw.org](mailto:ldyhouse@vfw.org).

# VFW's annual report and convention program

These are special publications produced annually. The annual report is a major fund-raising tool produced for potential donors and supporters of the VFW. It covers work done by VFW members and employees in disaster relief, community service and veterans assistance over the prior year. It also recognizes those who have donated to the VFW.

The convention program is the official publication of each VFW national convention. It features VFW's current national leaders and committee members, as well as providing a summary of each internal department's progress over the prior year.
