CHALLENGE 2023

Access Microsoft Flip via
<https://info.flip.com>

You may log in using your DELIMa ID (xxx@moe-dl.edu.my) or sign up new account using your personal / school email.

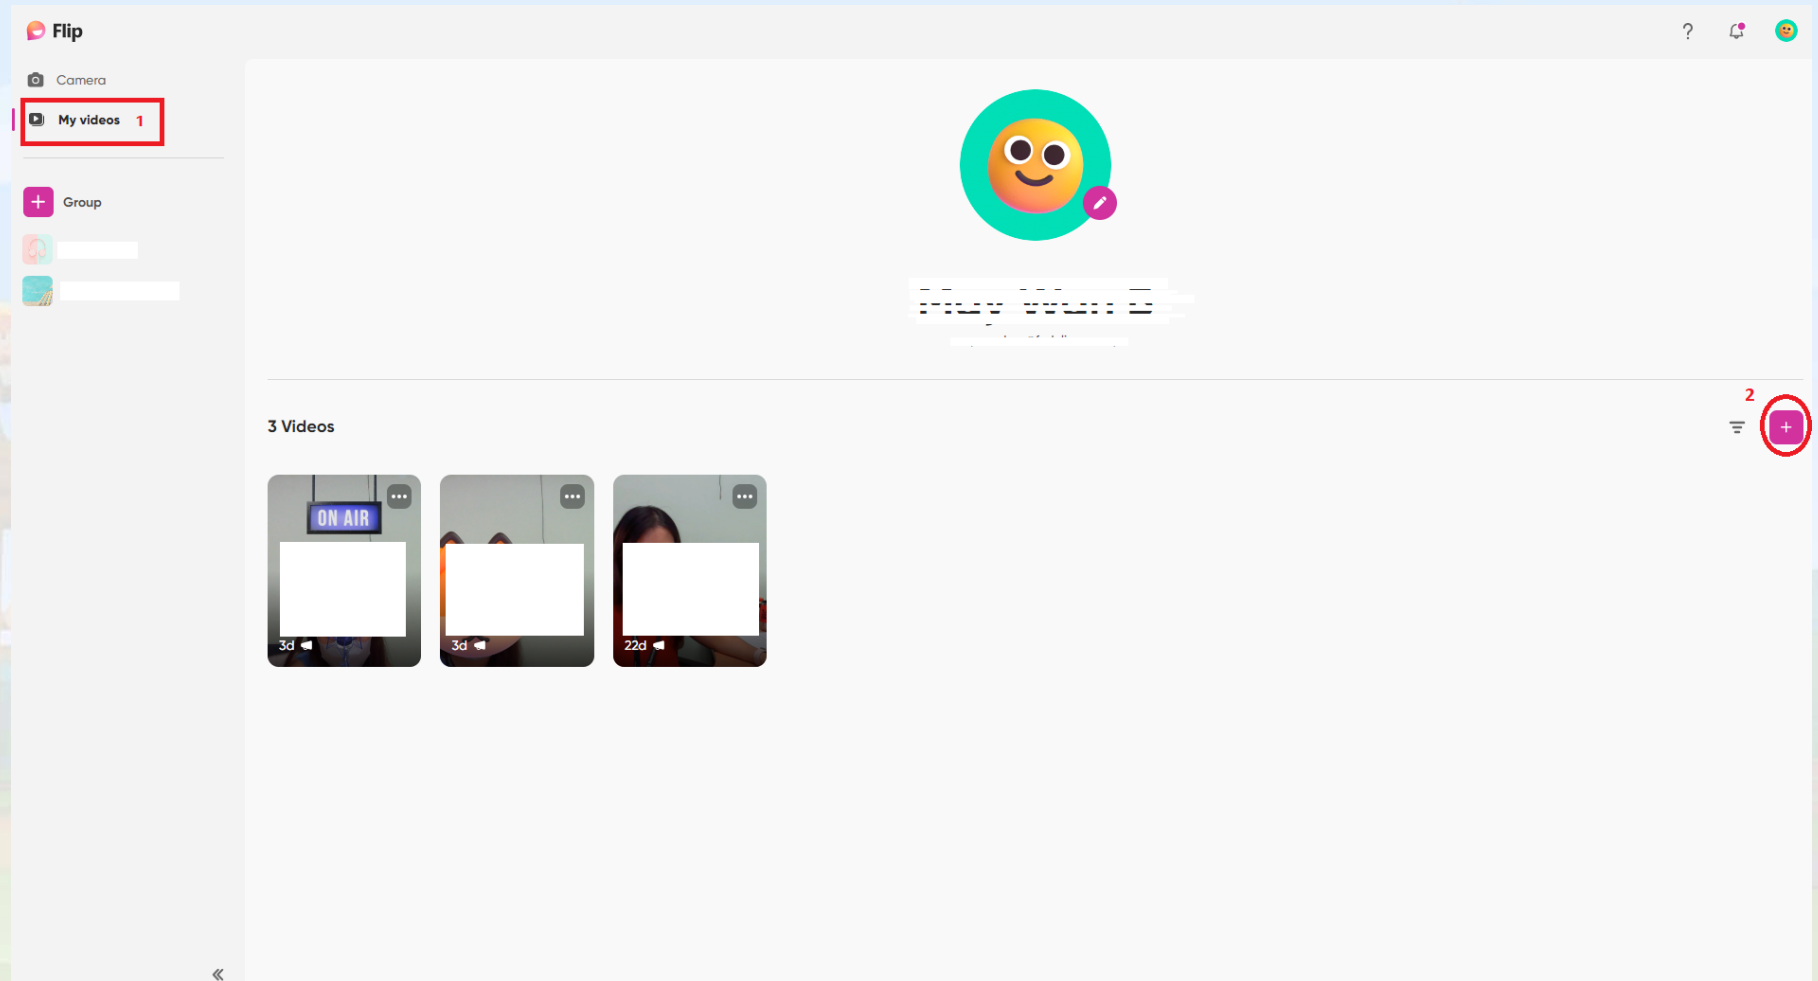

The screenshot shows the Flip website header with navigation links: Getting Started, Blog, Events, Help Center, Log In, Sign Up, and English (US). The main content area features the headline "Make learning fun and engaging" and a description of the app as a free Microsoft tool for educators to create safe online groups. Below the text are buttons for "Sign Up For Free" and "Enter a join code". On the right, a circular inset displays the Flip mobile app interface, showing a grid of groups like "Physics Fun", "Green Thumb Garden Club", and "Intro to Game Development".

1. Go to "My Video"
2. Press "+" button on the right to create new video

- a. Create your video using the tools available in the apps. You need to explain your Minecraft world's concept and idea in the video.
- b. You may also upload your video exported from the Minecraft world or edit the video in Microsoft Flip
- c. You may also upload video edited from other software to Microsoft Flip

CHALLENGE 2023

Upon completion, save your video by clicking the button “Save to my profile”

Post video
