

My Favorite Layouts for Deeper Guidance

Drawing one card a day is a terrific way to practice getting acquainted with your card deck. Using these card spreads or layouts will take you a little deeper into using your intuition for further interpretation.

Shuffle the cards and cut the deck. Focus on your question if you have one. Lay each card face down according to the diagram. When all cards are in position begin by turning over the first card for interpretation.

LAYOUT 1 - Past / Present / Future

LAYOUT 2 - Strengths

My Favorite Layouts

LAYOUT 3 - Priorities & Obstacles

LAYOUT 4 - The Four Directions

My Favorite Layouts

LAYOUT 5 - The Seven Chakras

LAYOUT 6 - Personal Challenges
